FREE Veterans Workshop

For combat veterans of recent or previous conflicts, art therapy provides ways to express feelings and experiences that are difficult to express verbally. As a form of psychotherapy, art therapy helps veterans communicate and resolve traumatic memories, relieve stress and reduce symptoms of trauma-related conditions.

Veteran Herschel Main wins award!

Sgt Phillip S Moore created artwork for the "Art of War" calendar

The Veterans Art Scholarship was made possible by donations and calendar sales of "Art of War".

Senior Paint Party

It brings people together.
It creates new friendships.
It reduces senior isolation.

This
first-time art
experience
can be life-
changing.

North Port ... An Arts Destination

Vision:

A welcoming destination that offers our community a culture filled with vibrant creativity, connection and camaraderie which nurtures an enduring appreciation of art.

Our Mission:

To make a difference ..

It takes a village. It takes individuals.

It takes local government.

It takes businesses, large and small.

It takes belief and passion.

It takes cooperation and collaboration.

Let's begin this journey ..

Together!
