To Whom It May Concern,

This letter is to confirm the FIRST Software is a proprietary software-as-a-service product offered exclusively by Honeywell and specifically designed for fire companies, personnel and equipment. Honeywell owns the intellectual property rights relating to FIRST Software and has not transferred, assigned or licensed such rights to any third parties. The limited licenses granted to customers (1) are solely to access the functionality of the FIRST Software, (2) do not sell or transfer ownership rights of any kind, (3) do not provide access to the FIRST Software computer software code (object or source code), and (4) expressly prohibit customers from copying, licensing, sublicensing, selling, transferring, assigning, modifying, or creating any derivative works of the FIRST Software.

Please let us know if you need any further information.

Kind regards,
