## Residence Address Compliance

Share:

The Lauren Book Child Safety Ordinance made it against the law for a sexual predator to live within 2,500 feet of any school.

Miami-Dade County provides a 2,500-Foot Address Compliance Map that displays sexual predators in the area, as well as schools, parks and day care centers.

The information shown in the map is received from multiple sources. Miami-Dade County does not assume responsibility for the accuracy or timeliness of the information displayed. The map should only be used as a guide.
