Patsy, please submit for the **February 14, 2017 Commission Regular Meeting**

By way of including the City Attorney in this email I have sent him the Ordinance for his review and approval of form and correctness. As soon he sends it back after his review and recommended changes, if any, please add the Ordinance number accordingly and fill in the blanks below for the agenda item summary sheet.

Subject: Discussion and possible action for adding a Sarasota County Commissioner as an ex officio non-voting member of the City's Community Economic Development Advisory Board

Recommended Action: Continue Ordinance 2017- _____ to the February 28, 2017 Commission Regular Meeting for a second reading.

Background:

On February 24, 2014 the City Commission approved Ordinance No. 2014-11 establishing within the City Code a Community Economic Development Advisory Board for the purpose of advising the City Commission on business and economic development and issues of importance to the North Port business community and citizens.

Currently the board membership provides for a North Port City Commissioner to serve as an ex-officio non-voting member. The City of North Port is the largest City in Sarasota County both in population and land mass. Consistent with the efforts to facilitate economic growth of the City and recognizing the City of North Port and Sarasota County work collaboratively in the interests of enhancing community quality of life and economic development, to maximize these opportunities it would be helpful to invite one of our Sarasota County Commissioners to serve on our Community Economic Development Advisory Board. In order to extend that welcome, this item is for seeking Commission approval to amend the City Administrative Code Chapter 4 section 4-151 (a) to add a Sarasota County Commissioner as an ex officio non-voting member.
