Subject: Agenda Item for Oct. 23rd commission mtg

I would like to have an agenda item placed on the Oct. 23rd commission meeting, please.

This item is in regards to murals being painted on the exterior of the Community Educational Center, located at 4940 Pan American Blvd. Deeanna Atkinson, has volunteered to paint 2 murals outside the entrance to the Senior Center, and one mural outside the Salvation Army Center.

Recommended Action

To permit the volunteer to paint a mural on the side of the Community Educational Center which provides the entrance to the Salvation Army Center, and two murals on the backside of the building where the seniors enter the Senior Center.

Background Information

Deeanna Atkinson has painted murals on public buildings regionally, as well as locally, painting murals for the Gene Matthews B&G Club. She has volunteer her time and talent, if the City pays for the paint needed for the murals. The exterior of the Community Educational Center was recently cleaned and painted beige, which would provide a perfect timing for the murals to be painted. Mrs. Atkinson will provide her own tools and scaffolding.

These mural pictures were shown and approved by the Senior Center Board of Directors and the Art Advisory Board. They were viewed by artists at the NP Art Center, also, and the feedback was extremely positive.

Strategic Plan

This project fills 3 of the 2018-2021 Strategic Goals; Historical, Cultural, and Environmental Preservation, Parks & Recreation, Neighborhood Enhancement.

Financial Impact

The cost of the paint.
