This is in response to your request dated Aug. 14, 2017, regarding your tax-exempt status.

We issued you a determination letter in June 2017, recognizing you as tax-exempt under Internal Revenue Code (IRC) Section 501(c)(3).

Our records also indicate you're not a private foundation as defined under IRC Section 509(a) because you're described in IRC Sections 509(a)(1) and 170(b)(1)(A)(vi).

Donors can deduct contributions they make to you as provided in IRC Section 170. You're also qualified to receive tax deductible bequests, legacies, devises, transfers, or gifts under IRC Sections 2055, 2106, and 2522.

In the heading of this letter, we indicated whether you must file an annual information return. If a return is required, you must file Form 990, 990-EZ, 990-N, or 990-PF by the 15th day of the fifth month after the end of your annual accounting period. IRC Section 6033(j) provides that, if you don't file a required annual information return or notice for three consecutive years, your exempt status will be automatically revoked on the filing due date of the third required return or notice.

Thank you.

Sherry,

Please see attached assistance application. While the budget shows \$2,840 for the pool rental, the actual cost to rent the Dive Well for two days is \$950. The additional cost (\$1,890) is the fee for attendance of the team members based on \$7 per person (Spectators are free). The actual expense for this number will not be known until after each day of the event as it depends on the number and size of teams that participate.

Let me know if you have any questions.

We had previously submitted the D2D event application—see attached email.

Do we need to resubmit a new application? We've added a fourth tent, clarified the facility entry process, and discussed having participants park in the lot behind the office.

Let us know when you have a moment.
