Matt,

I have made the below changes to read:

Commission questions and discussion continued regarding storage unit, quote for demolition of three buildings and storage unit installation, prior discussion, reallocating funds to priority projects, terminating agreement with Colliers International, former VPK building lease with Kiwanis, use of storage unit, K9 training building use, current Clothing Closet location usage, alternate storage options, removal of modular unit, time frame for demolition, preliminary bids, funding options, partnership with Kiwanis, and City use of storage unit.

Ms. Slayton responded to Commission questions regarding public notice and inclusion on future agenda.

Can you please create add these to the July 25 agenda?

Thanks.

Heather

Parks & Rec

Missing – at the 1H 16M mark – “... City use of storage unit, **and public notice and inclusion on future agenda....**”

Usually when the City Attorney weighs in it is specifically noted in the minutes (see 2nd line on page 7 as an example). CA weighed in on the **bolded text** above.

Thanks

Debbie
