

REQUESTED OPERATIONAL AND VOLUNTARY COOPERATION AGREEMENT

THIS REQUESTED OPERATIONAL AND VOLUNTARY COOPERATION AGREEMENT ("Agreement") is made and entered into this 25th day of March, 2013 by and between the North Port Police Department and the Charlotte County Sheriff's Office.

WITNESSETH:

WHEREAS, Florida Statutes Chapter 23, Part I, known as the Florida Mutual Aid Act, specifically recognizes that major law enforcement problems often include matters which require the crossing of jurisdictional lines; and

WHEREAS, in recognition of the existing and continuing possibility of the occurrence of natural or man-made disasters or emergencies, and other major law enforcement problems, including those that cross jurisdictional lines, and in order to ensure that preparations of law enforcement resources will be adequate to deal with such activity, protect the public peace and safety, and preserve the lives and property of the people of the City and County; and

WHEREAS, the Florida Mutual Aid Act provides a mechanism whereby law enforcement agencies may coordinate planning, operations, mutual aid, and dispatch and use of law enforcement personnel and equipment whenever, because of natural or man-made disasters or emergencies, so as to protect the public peace and safety and preserve the lives and property of the citizens within the City and County; and

WHEREAS, the Florida Mutual Aid Act permits law enforcement agencies to enter into a combined requested operational assistance agreement and voluntary cooperation agreement; and

WHEREAS, the Sheriff's Office of Charlotte County, Florida, and the North Port Police Department have the authority under Florida Statutes, Chapter 23, Part I, to enter into a Requested Operational Assistance and Voluntary Cooperation Agreement and they wish to enter into such agreement.

NOW, THEREFORE, in consideration of the foregoing and the covenants hereinafter contained, it is agreed between the parties as follows:

4. Terrorist activities including, but not limited to, acts of sabotage;
5. Escapes from or disturbance within detention facilities;
6. Hostage and barricaded subject situations;
7. Sporting events, concerts, and parades;

9. Incidents requiring utilization of specialized units, e.g. underwater recovery, aircraft, canine, motorcycle, bomb, crime scenes, and narcotics;
10. Emergency or intensive situations in which one agency needs additional assistance to perform its functional objectives.

Section 2. Assistance Request. In the event that a party to this Agreement is in need of assistance as set forth above, that party shall notify the other agency that such assistance is required. The agency head or designee of the party whose assistance is sought shall evaluate the situation and the available resources, and will respond in a manner deemed appropriate.

Section 3. Assistance Response. When deemed appropriate by the agency head or designee of the party whose assistance is sought, that party agrees to furnish necessary personnel, equipment, resources, and facilities and to render services to the other party as set forth above; provided, however, that no party shall be required to exhaust its own equipment, resources, facilities, and services in furnishing such mutual aid.

Section 4. Chain of Command. The personnel, resources or facilities assigned to the party requesting assistance shall be under the immediate command of a supervising officer designated by the agency head of the assisting agency. The supervising officer shall be under the direct supervision and command of the agency head of the requesting agency.

Section 6. Properties That Cross Jurisdictions. For properties that span the City of North Port-Charlotte County Border, the North Port Police Department shall take the lead in responding to calls for service where the given address is in North Port.

Section 7. Expenses Incurred. A party that furnishes equipment pursuant to this Agreement must bear the cost of loss or damage to that equipment and must pay any expense incurred in the operation and maintenance of that equipment. The party furnishing aid pursuant to this Agreement shall compensate its employees during the time of the rendering of aid and shall defray the actual travel and maintenance expenses of its employees while they are rendering aid, including any amounts paid or due for compensation for personal injury or death while its employees are rendering aid. Nothing herein shall prevent the requesting agency from requesting supplemental appropriations from the governing authority having budgetary jurisdiction to reimburse the assisting agency for any actual costs or expenses incurred by the assisting agency performing hereunder.

Section 8. Liability. Each party shall bear the liability arising from acts undertaken by its employees pursuant to this Agreement. All of the privileges and immunities from liability, exemption from laws, ordinances and rules, and all pension, insurance, relief, disability, workers' compensation, salary, death and other benefits which apply to the activity of any party when performing their respective functions within the territorial limits of their respective public agencies shall apply to them to the same degree, manner, and extent while engaged in the performance of any of their functions and duties extraterritorially under the provisions of this Mutual Aid Agreement. The provisions of this Section shall apply with equal effect to paid, volunteer, and auxiliary employees.

Section 9. Term. This Agreement shall be in effect from JANUARY 8, 2013 through and including JANUARY 1, 2017.

Section 10. Renewal. This Agreement may be renewed or extended only by use of a formal written instrument executed with the same formalities as this Agreement.

Section 11. Early Termination. Any party may withdraw from this Agreement upon written notice to all other parties. Cancellation shall be effective on the date of the receipt of written notice of cancellation.
