

**DATE: October 15, 2022**

**FROM: Cole Pauley – Target Solutions**

**RE: Hurricane Ian Roof Response – City of North Port, FL**

Target Solutions was engaged for a roof assessment and temp repair estimates for multiple locations for the City of North Port, FL

**SCOPE OF WORK:**

Target Solutions will furnish and install all material, equipment, and labor to provide temporary roof repairs to the following location. Scopes for each building are provided in the summary.

**Fleet Maintenance**

Remove damaged metal and dispose of properly. Install 2x4 framing and plywood to create “catwalks” at necessary areas to install PVC temp roofing. Roll temp roofing perpendicular to the purlins and weld sheets to create a dried in condition.

2300 sf framing and plywood for “catwalks”

80sq roofing area

The above information is respectfully submitted as an overview of the necessary services required for the temp roofing repairs. Please note the below referenced scope of work is based upon preliminary investigation only. All parties will be advised of deviation to scope and adjustments will be made.

**PRICING**

**TARGET SOLUTIONS** proposes to perform the scope of services as outlined above according to the provided rate sheet.

Initial Projected charges upon completion Not to Exceed: **\$70,250.00**

\*\*\*Once the work is completed, an invoice based on the actual SF of work completed and equipment costs.

It has been *Target Solutions'* pleasure to submit this proposal. Thank you for your consideration.
