Why do you desire to serve on the above Board/Committee? Please list any relative experience, if applicable.

As a dedicated member of the community, I have a strong appreciation for the vital role our parks and recreational programs play in enhancing quality of life, fostering community engagement, and promoting wellness among residents. Not only is it profitable but it is also meant to serve as recreation and enjoyment to our residents and it is meant to be preserved for our North Port residents. I cherish and appreciate the importance of this committee as it brings together residents to enjoy recreation and it serves as a catalyst in community bonding. I am well acquainted with Commissioner David Duval and he recommended this committee to me and said that this is an amazing committee and an opportunity for me to strive in.
