2. This is authorizations for sworn personnel, NOT current strength. Most departments related they were **at least 10% below** authorized strength.
3. Sarasota and Bradenton PDs were selected due to their geographic proximity.
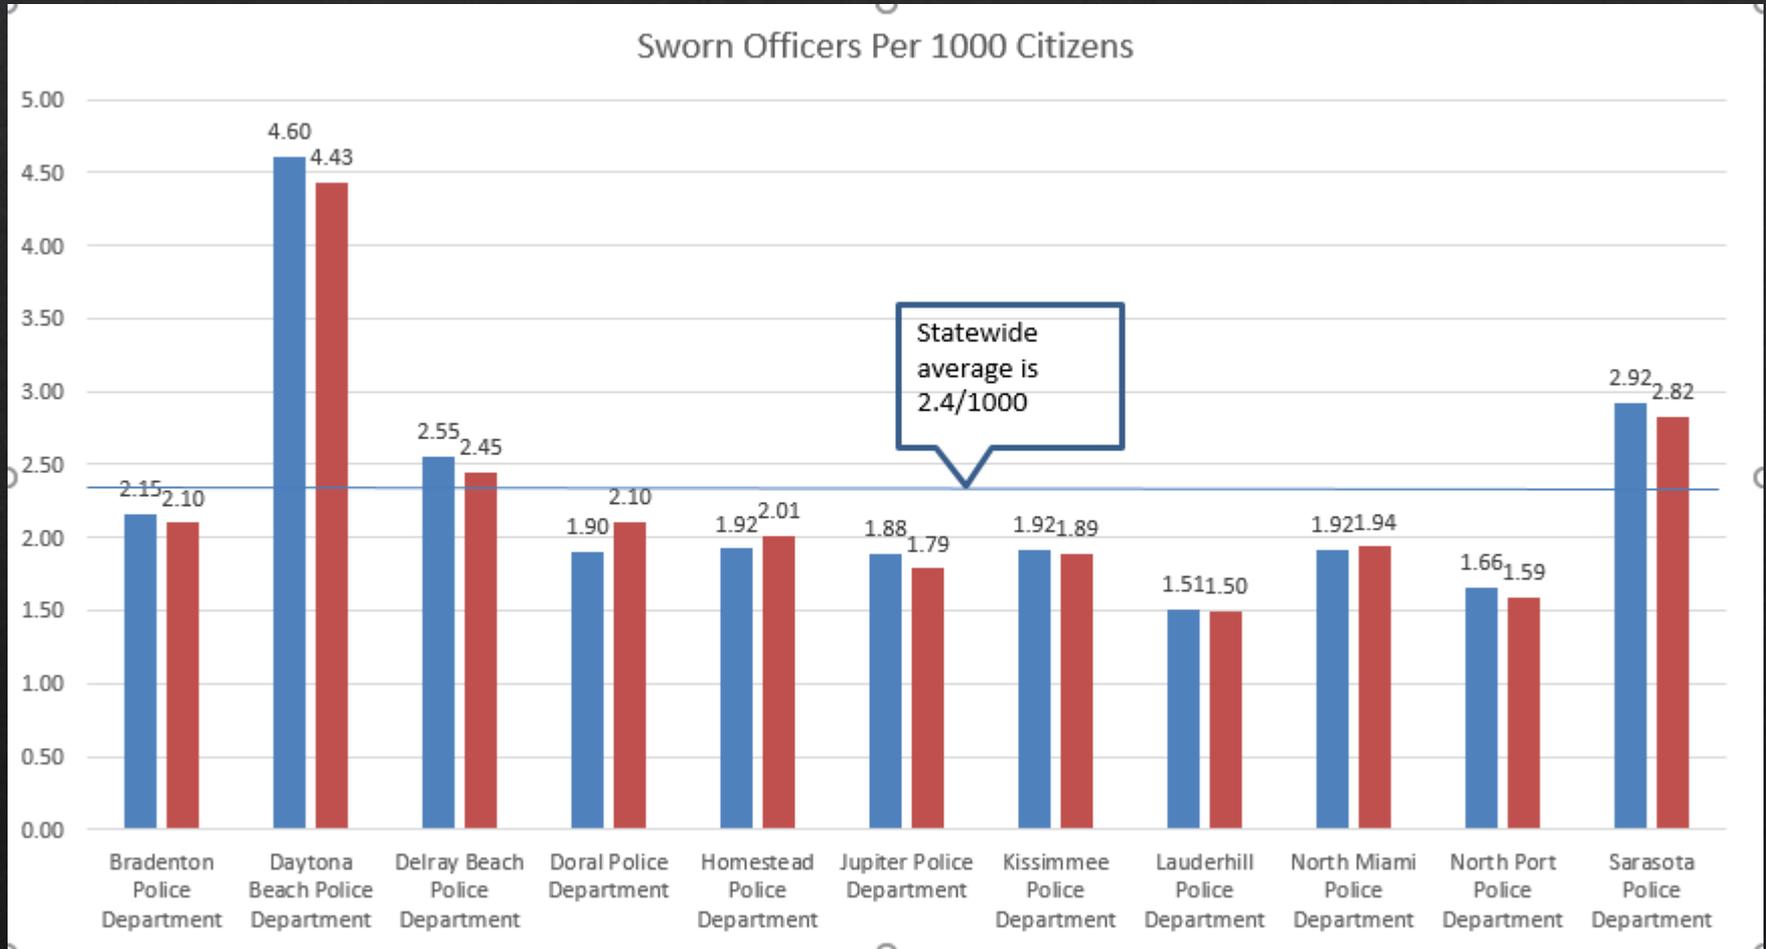

North Port's Safety Comparison

- We as a department believe that North Port has a relatively low crime rate, but does it?

- In an effort to see where reported crime in North Port stacks up compared to 11 cities with similar service and population totals[1], the annual Uniformed Crime Reports (UCR) were examined for 2016, 2017, and 2018.

UCR Part 1 Crimes

➢ UCR Part I, or Violent Crimes are:

   ➢ Homicide (Murder)

   ➢ Rape

   ➢ Robbery

   ➢ Aggravated Assault (Including Aggravated Stalking)

   ➢ Burglary

   ➢ Theft (Larceny)

   ➢ Motor Vehicle (MV) Theft

Procedure

◈ Created 3-year averages for each of the 11 cities/ Police Department's and crime category.

  ◈ Calculated a percentage difference and actual difference for each category.

  ◈ Heat mapped crime averages for a quick visual representation of how North Port compares to the others.

◈ Calculated Overall Ranking of Total Crime Index for each of the 11 Cities.
