**Why do you want to serve on this advisory council?**

I moved to North Port in June of 2021. I am in the process of building my forever home here. I have a son entering middle school next year and I want to be involved. I am ending my military service in the next few month and have a need to continue serving my community. The position, though I'm not clear on it, revolves around a contract and interpreting it.

**Please list all boards on which you currently serve, including Sarasota County advisory councils.**

**Your background, including education and work experience, and relevance to this advisory council.**

I have a professional resume I am including by email.

I have a BS degree in elementary education and a BS degree in special education both from Rhode Island College.

I taught in the classroom for 12 years.

Since 2015 I have been a Contract Specialist for the Army National Guard and now the Department of Veterans Affairs.

I am a Chief Warrant Officer 2 in the Army National Guard with an MOS of 920 Property Accounting Technician. However, my current roll is as an instructor at Warrant Officer Candidate School.

**Do you (or your spouse or minor child) or the company for which you work have a business relationship with the County? If yes, please explain.**

No.

**Are there specific days of the week or months of the year you will be unavailable due to job or travel? If yes, please explain.**

I guess that depends. Currently I am still a member of the Army National Guard, so there will be drill days I am away. I also have my current work schedule. I also have a 10 day vacation coming up in July/August.

With that said, anything that happens after I get out of work at 16:00 should not be much of a problem.
