PROJECT:	Newman Drive partial vacation of the platted rear easement, VAC-22-193
REQUEST:	Vacate a portion of the platted rear (20) twenty-foot maintenance easement to allow a pool, deck, and cage to remain.
APPLICANT:	Richard Casa of Custom Pools by Precision, Inc., on behalf of Robert Broadway, Property Owner (Exhibit A, Affidavit)
OWNERS:	Robert Earl Broadway (Exhibit B, Warranty Deed)
LOCATION:	2761 Newman Drive, Lot 46, (PID# 1149-21-4846)
PROPERTY SIZE:	± 0.245 acres (10,680 square feet)

I. BACKGROUND

Richard Casa of Custom Pools by Precision, Inc., on behalf of the property owner Robert Earl Broadway, has formally submitted to the City of North Port a written petition to request a partial vacation of the platted rear 20-foot maintenance easement located on lot 46, Block 2148, 45th Addition to Port Charlotte Subdivision. The purpose of the vacation request is to allow the newly constructed pool, deck, and cage to remain in the 20-foot rear maintenance easement. If the request is granted, approximately 133.4 square feet of the easement will be vacated (Figure 1). In addition to the vacation request, a variance is required as the pool encroaches into the 20-foot rear setback. The variance petition is separate from the vacation request, although approvals for both are necessary for the pool, deck, and cage to remain in their current location. The application was received on September 2, 2022, and was deemed sufficient on December 8, 2022.

The subject property is zoned Residential Single-Family (RSF-2) with a Future Land Use Designation of Low-Density Residential.

II. PROJECT SUMMARY

The applicant Richard Casa on behalf of the property owner Robert Earl Broadway is requesting to vacate a portion of the platted rear 20-foot maintenance easement to allow a newly constructed pool deck and cage to remain. Based on the as-built survey dated August 9, 2022, the pool area is currently encroaching approximately 7.2 inches in the easement and the required rear setback.

The site plans provided with the building permit numbers 21-7931 (pool) and 21-9257 (pool cage) showed that the pool area was located outside of the easement, met the minimum setback of 20 feet and were approved and both permits issued (Figure 2). Subsequently, when the as-builts were submitted for the pool permit on August 26, 2022, it was found that the pool was located inside the 20-foot rear maintenance easement. In addition, the pool does not meet the required 20-foot rear setback, and a variance is needed (Figure 3). The applicant has been notified regarding the variance, and it is pending the submission of the variance application.

The pool permits can only be closed once the easement encroachment and rear setback issues are resolved.

III. REVIEW PROCESS

The following agencies¹ have reviewed the request to vacate the portion of the platted rear 20-foot maintenance easement and, through written response, have granted their approval. No issues or concerns were raised regarding the request (**Exhibit C**).

Utility Agency	Response
Amerigas	Is granted ²
Comcast/Truenet Communications	Is granted
Florida Power and Light (FP&L)	Is granted
Frontier	Is granted
City of North Port Fire/Rescue	Is granted
City of North Port Public Works	Is granted
City of North Port Utilities	Is granted

Based on the responses received, the request to vacate a portion of the rear 20-foot maintenance drainage easement meets the following:

1. It is a vacation of a public easement.
2. The easement is not needed to provide City service to any property.
3. No public utilities or City facilities are located or planned to be located in the area.
4. The easement is not necessary to any logical extension of public utility service, sanitary sewer service, drainage or other City services to any property in the future or an alternate and equally acceptable easement of such extension has been dedicated to the City.

¹ The recorded plat for the Forty-Fifth Addition to Port Charlotte Subdivision General Notes states, “*A 20 foot strip along the lots lines abutting and adjacent to the waterways and drainage rights of way...”. “The easements hereinafter described are reserved to said Corporation, its successors or assigns, for the installation and maintenance of public utilities and drainage facilities.*...” Since the easement language includes public utilities, all agencies were notified of the request to vacate.

² Amerigas was provided notification on December 8, 2022, with a deadline of December 18, 2022. A courtesy follow-up e-mail was sent on December 22, 2022, and December 28, 2022. As per policy, if after (10) days, a response is not received, it will be assumed there is no issue with the vacation of easement request.

IV. LEGAL REVIEW

The accompanying Resolution No. 2023-R-08 has been reviewed and approved by the City Attorney as to form and correctness.

V. DATA & ANALYSIS

FLORIDA STATUTES CHAPTER 177

FLORIDA STATUTES CHAPTER 177

Chapter 177 of the Florida Statutes provides requirements that regulate and control the platting of lands. Furthermore, Chapter 177.101 of the Florida Statutes lists the actions needed in making an application for vacation of plats either in whole or in part. The individual requesting a vacation of plat must give notice of their intention to apply to the governing body to vacate the plat by publishing a legal notice in a newspaper of general circulation in the county in which the tract or parcel of land is located, in not less than two weekly issues of said paper and must attach to the petition for vacation the proof of said publication, together with proof that taxes have been paid.

Findings & Conclusion: The warranty deed provided to the City as a part of the application establishes that the applicant owns the fee simple title of the subject property. Based on staff review as well as due-diligence correspondence with utility agencies (detailed as a part of Section II and III of this document), it is also determined that the vacation of easements does not affect the ownership or right of convenient access of persons owning any other parts of the subdivision. The property owner filed a notice of intent to apply to the City of North Port to vacate the plat by publishing a legal notice in the North Port Sun newspaper for two weekly issues on October 22, 2022, and October 29, 2022, (**Exhibit D**) and in addition, provided to the City of North Port Planning & Zoning Division an application to request a vacation of platted easements, proof of said publication, together with proof that taxes have been paid (**Exhibit E**).

Staff concludes that Petition VAC-22-193 is consistent with the Florida Statutes.

**ULDC
CHAPTER 53**

CHAPTER 53 ZONING REGULATIONS

The Unified Land Development Code (ULDC) contains regulations that govern the development and use of land within the incorporated area of the City of North Port, Florida. Chapter 53 of the ULDC, Part 4. Administrative Provisions, Article XXIII. Administration and Enforcement, Sec. 53-267D. allows for a vacation of platted easements provided that platted easements shall be vacated in accordance with Florida Statutes Chapter 177.

Findings & Conclusion: Staff reviewed the Petition VAC-22-193 relative to ULDC Chapter 53 Zoning Regulations. Pursuant to the provisions in Florida Statutes Chapter 177.101, the property owners did file a notice of intent to apply to the City of North Port to vacate the plat by publishing a legal notice in the North Port Sun newspaper for two weekly issues on October 22, 2022, and October 29, 2022 and in addition provided to the City of North Port Planning & Zoning Division an application to request a vacation of platted easements, proof of said publication, together with proof that taxes have been paid.

Staff concludes that the proposed Petition VAC-22-193 is consistent with Chapter 53 of the ULDC.

VI. PUBLIC HEARINGS

Planning & Zoning Advisory Board Public Hearing	January 19, 2023 9:00 AM or as soon thereafter
City Commission Public Hearing	February 14, 2023 10:00 AM or as soon thereafter

VII. RECOMMENDED MOTIONS

The Planning & Zoning Division recommends that the Planning and Zoning Advisory approve Petition Number VAC-22-193 via Resolution No. 2023-R-08 and recommend motion as follows:

I move to recommend approval to the City Commission Petition Number VAC-22-193, Resolution No. 2023-R-08.

If the motion is to deny:

I move to recommend denial to the City Commission Petition Number VAC-22-193, Resolution No. 2023-R-08.

VIII. ALTERNATIVE ACTIONS

City Commission may deny Petition VAC-22-193. New findings would need to be written to support that recommendation if that were the case. In addition, the property owners would be required to remove the pool deck and cage portion, so it no longer encroaches into the rear 20-foot easement.

Please review the attached request to vacate a portion of the rear 20-foot easement for the property located at 2761 Newman Drive (PID #1149-21-4846).

Displayed on the attached pdf named VOE is a sketch & description showing the easements petitioned to be vacated. Don't hesitate to reach out if you have questions. The request is so that a recently constructed portion of a swimming pool may remain.
