CITY MANAGER'S OFFICE

MAR 30 2017

CITY OF NORTH PORT

To: North Port City Commissioners

On behalf of North Port High School (NPHS) and Project Graduation, we are requesting that an item be placed on the agenda for consideration of the donation of a car which benefits a NPHS graduate at Project Graduation.

The City of North Port has been a supporter of the students in our community in the past, and we hope this tradition will be continued this year as well.

We would like to acknowledge that the car will be awarded as the Grand Prize for a NPHS Class of 2017 graduate participating in the Project Graduation celebration.

Sincerely,

Brandon Johnson
