Please fill in the blank below as appropriate:

- I am the designated representative of an individual owner, resident or other occupant of real property located within _____ feet of the real property which is the subject of quasi-judicial action.
- I am the designated representative of a business entity, e.g. corporation, partnership, civic or religious organization, professional association, or trust, which owns real property located within _____ feet of the real property and which is the subject of the quasi-judicial action.
- I am the designated representative of a condominium or neighborhood association whose members consist of owners, residents or occupants of real property within _____ of the real property which is the subject of the quasi-judicial action.

NOTE: If you responded to item 3, 4, or 5 above, you must have WRITTEN AUTHORIZATION signed by the person, entity, or association you represent. In the case of a condominium or neighborhood association, the authorization must be signed by an officer or member of the Board of Directors of the association.

6. I will be adversely affected by the approval of the above referenced application because: Your answer should explain how you will be adversely affected to a greater degree than other members of the community at large. You may attach a separate sheet if necessary.

My late wife Elsa Beal and I bought our property on Clow Ct. in 1997 to live in a country rural setting. Choctaw Blvd. did not connect to Toledo Blade at that time, and could only be accessed from Tropicaire Blvd. Building Industrial Warehousing is totally out of character for this agricultural area.

7. I wish to request notice of any special magistrate proceedings subsequent to the city commission's determination. _____

I understand that completion of this form does not substitute for speaking in person at the public hearing on the matter. I hereby certify that the above statements are true to the best of my knowledge and belief. I understand that I or someone on my behalf must be present at the public hearing to present my case.
