Status: Completed

Manager: Amber Slayton

Size: Extra Large

Priority: Critical

Category / Sub-Category: Ordinance / Miscellaneous

Description: At the November 8, 2022 meeting, the City Commission voted to begin the process of ordering a charter referendum for the general election in 2024 to amend Section 1.02(b) of the City Charter. While the motion was general, discussion addressed potential limitations as to amount, frequency, or only in emergency conditions. Considerations included the City's limited options to finance an emergency, such as Hurricane Ian. At the June 11, 2024 meeting, Commission voted to: Direct staff to bring Comm'n the ordinance as well as the charter amendment back for first reading for Comm'n review Direct staff to bring back an opinion from PFM and bond counsel with regard to a recommendation of a borrowing cap to be included in the charter amendment - at time of first reading Direct staff to bring back draft of debt management policy Direct CM to remove reference to borrowing limit in the referendum wording

Priority: High

Category / Sub-Category: Ordinance / Code Amendment

Description: On July 11, 2023, Commission voted 4-1 to Direct CA to draft ordinance prohibiting smoking of cigarettes and vaping in city parks and including a reference to designated smoking areas and direct staff to report back on their input regarding the cost of designated smoking areas and enforcement considerations. Effective July 1, 2022, HB 105 amended FS 386.209, allowing City to prohibit certain smoking. Key language: "...counties and municipalities may further restrict smoking within the boundaries of any public beaches and public parks that they own, except that they may not further restrict the smoking of unfiltered cigars. A municipality may further restrict smoking within the boundaries of public beaches and public parks that are within its jurisdiction but are owned by the county, unless such restriction conflicts with a county ordinance, except that they may not further restrict the smoking of unfiltered cigars. counties and municipalities may further restrict smoking within the boundaries of any public beaches and public parks that they own, except that they may not further restrict the smoking of unfiltered cigars. 1748 > Research - Live Local Act - Temporary Moratorium for Affordable Housing on Commercial Property

Status: Completed

Manager: Amber Slayton

Size: Large

Priority: Critical

Category / Sub-Category: Research /

Description: At the September 5, 2023 workshop, the Commission unanimously approved the following consensus: Direct the City Attorney to review the legality of issuing a moratorium for a six-month period for affordable housing on commercial property in the City of North Port – passed 4-0 This consensus occurred during discussion of Legistar Item No. 23-1281 re: legislative priorities

Last Status Note: 26 Oct 2023, 04:53 PM: I learned today from Commissioner McDowell that City of Doral settled a claim related to their moratorium. From docs forwarded by FLC, it appears that the City settled an informal dispute after receiving an attorney's letter - the developer had an application on file prior to the effective date of Live Local. MRT spoke with the City Attorney in Sept; there was no mention of this, likely because it was a pending claim.

2165 > Analysis - Signs in Right of Way

Status: Completed
Manager: Amber Slayton
Size: Extra Small
Priority: High
Category / Sub-Category: Land Use /

Description: #ULDCRewrite There were consensus items for CAO from the Commission workshop on April 22nd: YouTube @3:40:00 – McDowell’s motion: To have the CA perform a legal opinion to allow issuing permits for signs in the right of way when the applicant has a special event permit applied for using public property. Summary of Issue – The City previously had an administrative policy or practice of allowing those with an approved special event permit to post signs in the right-of-way advertising their permitted events. At some point this practice changed and permit holders were no longer allowed to advertise their events in the right of way. The commission would like a legal opinion on the legality of allowing permit holders to post signs advertising their events in the right of way, to the exclusion of everyone else. CAO notified the commission from the dais that WS were the legal experts in this area and were likely to be engaged to analyze the question. This led commission to add the words “and staff” to the next consensus item. YouTube @3:45:00 – McDowell’s motion: To have CA and staff work together to come up with other viable options to allow event signage to be placed somewhere someplace within the city. Summary of Issue – Staff explained to commission that allowing the posting of signs in the right of way was an all or nothing position, as long as the sign met size limitations. Either the city must allow every sign or it must prohibit every sign in the right of way. However, staff provided an alternative approach where signs would be allowed within the right of way but only in designated areas. For example, in the right of way located between two named roads. This is not something staff supports but did present it as an option. The Commission is looking for a legal analysis and “viable options” to allow for this scheme to allow signs in certain right or ways.
