Section 2-407 of the City of North Port Procurement Code states a Sole/Single source purchase is defined as a non-competitive purchase of supplies, equipment and contractual services that is either: the only item that will produce the desired results; or is available from only one source of supply who possesses the unique and singularly available capability to meet the requirement of the solicitation (such as technical qualifications, ability to deliver at a particular time, or services from a public utility). Sole Source services must be available only from vendors (firms or individuals) who are uniquely qualified to perform such services. All Sole/Single source requests will be posted on DemandStar & the City's Purchasing site for seven (7) calendar days.

Purchases for a brand product are to be made from one selected supplier, even though there are other suppliers that provide similar products. Options, such as pricing, availability, servicing, have been vetted and a supplier has been chosen that best meets the City's needs (*Single Source*). *Must attach backup/supporting documentation to this form.

Maintenance, repair services or warranty which require specialized test equipment, procedures, and technical expertise available only from the original equipment manufacturer or authorized/licensed dealer/field service representative (*Single Source*) * Must attach verification from Manufacturer*

SOLE/SINGLE SOURCE/STANDARDIZATION**

Other: None or some of the above apply. *Detailed explanation and justification for this sole/single source request must be provided below. Attach additional pages as necessary*
