Comp plan changes for AC 7 –

4H 11M mark – **CLARITY** -- The consensus received applied to **7a ONLY**, based on the two different discussions ***There was consensus to adopt the Comprehensive Plan changes as presented.*** The consensus, as written could be implied that the commission gave consensus to adopt ALL of the changes discussed. ***This is good as written as this is the consensus stated by the Mayor. The discussion shows that Ms. Barnes had moved on to 7A.***

4H 11M mark – **MISSING** - Ms. Barnes said, “**staff will bring 7a back for comp plan amendment independent from the boarder WMS area property**” ***Please add after the consensus “Staff provided a recap of Commission discussion and next steps.”***

Debbie
