This Subrecipient Agreement is made and entered into in Sarasota, Florida this ____ day of _____, 2025 by and between Sarasota County, Florida, a political subdivision of the State of Florida, hereinafter referred to as “COUNTY” and the City of North Port, Florida, a municipal corporation within the State of Florida, hereinafter referred to as “SUBRECIPIENT.”

WHEREAS, the COUNTY has applied for and received Community Development Block Grant (“CDBG”) funds, from the United States Department of Housing and Urban Development (“HUD”) under Title I of the Housing and Community Development Act of 1974, as amended (“HCD Act”), Public Law 93-383; and

WHEREAS, the COUNTY wishes to sub-award COUNTY CDBG funds to the SUBRECIPIENT to allow the SUBRECIPIENT to carry out one activity or project that was included in the Consolidated Plan.

NOW, THEREFORE, it is agreed between the parties hereto as follows:

I. FEDERAL AWARD IDENTIFICATION

This Subrecipient Agreement is a sub-award as defined in 2 CFR Part 200, Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards of COUNTY CDBG funds. The information to be identified to the SUBRECIPIENT required by 2 CFR 200.332(a)(1), is attached hereto as Exhibit 1, Sub-award Information.

II. STATEMENT OF WORK

The SUBRECIPIENT will be responsible for improvements at Hope Park located at 8161 Lombra Avenue, North Port, Florida 34287, consisting of removal of existing playground equipment and installation of new playground equipment using CDBG funds during the effective dates of this Subrecipient Agreement in a manner satisfactory to the COUNTY (“Hope Park Improvements”).

4. February 1, 2026 – Work to begin on or before this date.
5. September 30, 2026 – Work to be completed on or before this date.

C. Amount of Subaward

The funds reimbursed to the SUBRECIPIENT under this Subrecipient Agreement shall not exceed \$300,000. These CDBG funds may not be used to pay for, and the COUNTY will not reimburse SUBRECIPIENT for the management or administrative costs associated with the provision of these services.

Notwithstanding the foregoing, as a political subdivision of the State of Florida, the COUNTY's performance, and obligation to pay under this Agreement is contingent upon an appropriation of lawfully available funds by the Board and the continued availability of funds from HUD to the COUNTY. The COUNTY shall promptly notify the SUBRECIPIENT if the necessary appropriation is not made or funds are otherwise unavailable.

D. Performance Monitoring

The COUNTY will monitor the performance of the SUBRECIPIENT against the goals and performance standards as stated above in Section B. Substandard performances as determined by the COUNTY in its sole discretion, will constitute noncompliance with this Agreement and may result in a reduction of the subaward, the suspension and/or termination of this Subrecipient Agreement, or other remedies available at law or in equity, if action to correct such substandard performance is not taken by the SUBRECIPIENT within a reasonable period of time (30 days) after being notified by the COUNTY.

E. National Objectives

All activities funded with CDBG funds must meet one of the CDBG program's National Objectives as defined in 24 CFR 570.208: benefit low- and moderate-income persons; aid in the prevention or elimination of slums or blight; or meet community development needs having a particular urgency. The SUBRECIPIENT certifies that the activity carried out under this Agreement will benefit low- and moderate-income persons. Based on universal population data for census tract 27.21, block 2, over 51% of the households in the areas surrounding the Hope Park project meet federal definition of a low-income household.

.

III. BUDGET

The maximum allowable costs for which the SUBRECIPIENT will be reimbursed with CDBG funds is \$300,000. Any other project expenses will be the sole responsibility of the SUBRECIPIENT. In addition, the COUNTY may require a more detailed budget breakdown than the one contained herein, and the SUBRECIPIENT shall provide such supplementary budget information in a timely fashion in the form and content prescribed by the COUNTY. Any amendments to the budget must be approved in writing by both the COUNTY AND SUBRECIPIENT.

IV. PROGRAM INCOME

The SUBRECIPIENT shall report quarterly all program income, as defined at 24 CFR 570.500(a), generated by activities carried out with CDBG funds made available under this Subrecipient Agreement. The use of program income by the SUBRECIPIENT shall comply with the requirements set forth at 24 CFR 570.504. By way of further limitations, the SUBRECIPIENT may only use such program income during the Subrecipient Agreement period for activities permitted under this Subrecipient Agreement and shall reduce requests for additional funds by the amount of any such program income balance on hand. All unexpended program income shall be returned to the COUNTY at the end of the Subrecipient Agreement period. Any interest earned on cash advances from the U.S. Treasury and from funds held in a revolving fund account is not program income and shall be remitted promptly to the COUNTY.

V. SUSPENSIONS AND TERMINATIONS

In accordance with 2 CFR 200, the COUNTY may suspend or terminate this Subrecipient Agreement, in addition to seeking other remedies available in equity or at law, if in the COUNTY'S sole discretion, the SUBRECIPIENT materially fails to comply with any terms of this Subrecipient Agreement, which include (but are not limited to) the following:

A. Termination for Cause

2. Failure, for any reason, to comply with any term or condition of, or fulfill in a timely or proper manner, its obligations under this Subrecipient Agreement;
3. Ineffectively or improperly used funds or program income provided under this Subrecipient Agreement; or
4. Submission by the SUBRECIPIENT to the COUNTY or HUD report(s) that are incorrect or incomplete in any material respect.

B. Termination for Convenience

Except as provided in Paragraph V.A., this Subrecipient Agreement may be terminated as follows:

The COUNTY shall have the right at any time upon 30 calendar days' written notice to the SUBRECIPIENT to terminate this Subrecipient Agreement in whole or in part, setting forth the reasons for such termination, the effective date, and in the case of partial termination, the portion to be terminated. However, if in the case of a partial termination, the COUNTY determines that the remaining portion of the award will not accomplish the purpose for which the award was made, the COUNTY may terminate the award in its entirety. In the case of such termination for convenience, the COUNTY shall reimburse SUBRECIPIENT for such properly documented and eligible costs incurred in the performance of this Subrecipient Agreement prior to the date of termination of the Subrecipient Agreement. The SUBRECIPIENT remains responsible for compliance with the requirements in 2 CFR 200, other applicable state and federal laws, as well as the surviving provisions of this Subrecipient Agreement if terminated.

VI. DISPUTE RESOLUTION

All claims, disputes and other matters in question between the parties to this Agreement, arising out of or relating to this Agreement or the breach thereof, shall be resolved as follows:

- A. To the extent Chapter 558, F.S., is applicable, the parties expressly opt out of the requirements of Chapter 558, F.S., within the meaning of section 558.005(1), F.S.
- B. In the event of a dispute or claim arising out of this Agreement, the parties agree first to try in good faith to settle the dispute by direct discussion. If this is unsuccessful, the parties may enter into mediation in Sarasota County, Florida, with the parties sharing equally in the cost of such mediation.
- C. In the event mediation, if attempted, is unsuccessful in resolving a dispute, the parties may proceed to litigation as set forth below.
- D. Any dispute, action or proceeding arising out of or related to this Agreement will be exclusively commenced in the state courts of Sarasota County, Florida, or where subject matter jurisdiction exists in the United States District Court for the Middle District of Florida. Each party irrevocably submits and waives any objections to the exclusive personal jurisdiction and venue of such courts, including any objection based on forum non conveniens.
- E. The parties agree to waive all rights to trial by jury for any litigation undertaken concerning this Agreement.
- F. This Agreement and the rights and obligations of the parties shall be governed by the laws of the State of Florida without regard to its conflict of laws principles.
- G. Unless otherwise agreed in writing, the SUBRECIPIENT shall be required to continue its services and all other obligations under this Agreement during the pendency of claim or dispute including, but not limited to, actual period of mediation or judicial proceedings.

VII. REVERSION OF ASSETS

The use and disposition of real property and equipment under this Subrecipient Agreement shall be in compliance with the requirements of 2 CFR 200 and 24 CFR 570.502, 570.503, and 570.504, as applicable, which include but are not limited to the following:

- A. The SUBRECIPIENT shall transfer to the COUNTY any CDBG funds on hand and any accounts receivable attributable to the use of funds under this Subrecipient Agreement at the time of expiration, cancellation, or termination.
- B. Real property under the SUBRECIPIENT'S control that was acquired or improved, in whole or in part, with funds under this Subrecipient Agreement in excess of \$25,000 shall be used to meet one of the CDBG National Objectives pursuant to 24 CFR 570.208 until five (5) years after expiration of this Subrecipient Agreement (or such longer period of time as the COUNTY deems appropriate). If the SUBRECIPIENT fails to use CDBG-assisted real property in a manner that meets a CDBG National Objective for the prescribed period of time, the SUBRECIPIENT

shall pay the COUNTY an amount equal to the current fair market value of the property less any portion of the value attributable to expenditures of non-CDBG funds for acquisition of, or improvement to, the property.

- C. In all cases in which equipment acquired, in whole or in part, with funds under this Subrecipient Agreement is sold, the proceeds shall be program income (prorated to reflect the extent to which the funds received under this Subrecipient Agreement were used to acquire the equipment). Equipment not needed by the SUBRECIPIENT for activities under this Subrecipient Agreement shall be (a) transferred to the COUNTY for the CDBG program or (b) retained after compensating the COUNTY an amount to be determined by the COUNTY, equal to the current fair market value of the equipment less the percentage of non-CDBG funds used to acquire equipment.

VIII. RELIGIOUS ACTIVITIES

The SUBRECIPIENT agrees that funds provided under this Subrecipient Agreement will not be utilized for inherently religious activities prohibited by 24 CFR 570.200(j), such as worship, religious instruction, or proselytization.

IX. REIMBURSEMENT / PAYMENT TO SUBRECIPIENT

It is expressly agreed and understood that the total amount to be paid by the COUNTY to the SUBRECIPIENT under this Subrecipient Agreement shall not exceed \$300,000. The COUNTY will pay to the SUBRECIPIENT funds available under this Subrecipient Agreement based upon substantiated information submitted by the SUBRECIPIENT, in accord with performance, and consistent with any approved budget and COUNTY policy concerning payments. All requests for payment must be for eligible expenses actually incurred by the SUBRECIPIENT and are not to exceed actual cash requirements. Payments will be adjusted by the COUNTY in accordance with program income balances available under this Subrecipient Agreement for costs incurred by the COUNTY on behalf of the SUBRECIPIENT.

SUBRECIPIENT will submit reimbursement requests timely to the COUNTY until all CDBG funds have been expended. Reimbursement Requests shall be delivered to the COUNTY on a form approved by the COUNTY and shall clearly indicate the budget categories from which each request is drawing.

The period for submission of Reimbursement Requests shall be monthly with such invoices due to the COUNTY by the 15th of the month subsequent to the provision of services for which the COUNTY is being invoiced. Should the SUBRECIPIENT fail to timely submit its General Reimbursement Request for any particular month, it accepts the risk that the COUNTY may choose not to provide reimbursement for any expenses the SUBRECIPIENT incurred during such month.

The monthly invoice from the SUBRECIPIENT must be submitted or e-mailed to:

- D. By executing this Agreement, the SUBRECIPIENT hereby affirms that it understands that the above are minimum standards for invoices only and are not meant to represent an exhaustive list of what the COUNTY may request or require in order to consider a Reimbursement Request complete or to approve such request for reimbursement.
- E. Notwithstanding the foregoing, as a political subdivision of the State of Florida, the COUNTY's performance, and obligation to pay under this Agreement is contingent upon an appropriation of lawfully available funds by the Board and the continued availability of funds from HUD to the COUNTY. The COUNTY shall promptly notify the SUBRECIPIENT if the necessary appropriation is not made or funds are otherwise unavailable.

Funds otherwise available to the SUBRECIPIENT for this project may not be displaced by these CDBG funds and reallocated for other organizational expenses of the SUBRECIPIENT.

B. Independent Contractor

Nothing contained in this Subrecipient Agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the

parties. The SUBRECIPIENT shall at all times remain an “independent contractor” with respect to the services to be performed under this Subrecipient Agreement. The COUNTY shall be exempt from payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Workers’ Compensation Insurance, as the SUBRECIPIENT is an independent contractor.

C. Hold Harmless and Indemnification

Pursuant to §768.28(19), F.S. the SUBRECIPIENT shall indemnify and hold harmless COUNTY from liabilities, damages, losses, and costs, including but not limited to reasonable attorney’s fees to the extent caused by the negligence, recklessness, or intentional wrongful misconduct of the SUBRECIPIENT and persons employed or utilized by the SUBRECIPIENT in the performance of the Agreement.

Nothing contained herein shall constitute a waiver by either party of its sovereign immunity or the provisions of section 768.28, Florida Statutes, as may be applicable to either Party. Further, nothing contained herein shall constitute or be construed as a consent by either party to be sued by third parties for any matter arising out of or relating to this Agreement. This Section shall survive the termination or expiration of this Agreement.

D. Workers’ Compensation

The SUBRECIPIENT shall provide Workers’ Compensation Insurance coverage as described in Exhibit 2 for all of its employees involved in the performance of this Subrecipient Agreement.

If the SUBRECIPIENT is a self-insured governmental entity, the SUBRECIPIENT shall provide a certificate or verification of self-insurance to the COUNTY.

The SUBRECIPIENT shall carry sufficient insurance coverage to protect contract assets from loss due to theft, fraud and/or undue physical damage, and as a minimum, shall purchase a blanket fidelity bond covering all employees in an amount equal to cash advances from the COUNTY. SUBRECIPIENT shall comply with the bonding and insurance requirements of 2 CFR 200 and as described in Exhibit 2. If the SUBRECIPIENT is a self-insured governmental entity, the SUBRECIPIENT shall provide a certificate or verification of self-insurance to the COUNTY.

F. County Recognition

The COUNTY may, in its discretion, amend this Subrecipient Agreement to conform with federal, state, or local governmental guidelines, policies, and available funding amounts, or for other reasons. H. Fire Safety Codes

SUBRECIPIENT shall comply with all applicable local, county and state fire codes.

I. Building, Housing, and Zoning Codes; Housing Quality Standards; 24 CFR 570.208(b)(1)(iv) and (b)(2)

The SUBRECIPIENT shall ensure the assisted activity addresses one or more of the conditions which contributed to the deterioration of the area. Rehabilitation of residential buildings carried out in an area meeting the above requirements will be considered to address the area's deterioration only where each building rehabilitated is considered substandard under local definition before rehabilitation, and all deficiencies making a building substandard have been eliminated. At a minimum, the local definition for this purpose must be such that buildings that it would render substandard would also fail to meet the standards for the condition of HUD housing at 24 CFR 5.703.

The following activities may be undertaken on a spot basis to eliminate specific conditions of blight, physical decay, or environmental contamination that are not located in a slum or blighted area: acquisition; clearance; relocation; historic preservation; remediation of environmentally contaminated properties; or rehabilitation of buildings or improvements. However, rehabilitation must be limited to eliminating those conditions that are detrimental to public health and safety. If acquisition or relocation is undertaken, it must be a precursor to another eligible activity (funded with CDBG or other resources) that directly eliminates the specific conditions of blight or physical decay, or environmental contamination.

Notwithstanding the foregoing, all program activities must be completed by September 30, 2026. Final Invoices shall be due to the COUNTY no later than thirty (30) calendar days after the expiration or termination of this Agreement or last date of eligible expenditures by the SUBRECIPIENT, whichever the earlier of the dates.

6. Audits and Inspections

All SUBRECIPIENT records with respect to any matters covered by this Subrecipient Agreement shall be made available to the COUNTY, grantor agency, and the Comptroller General of the United States or any of their authorized representatives, at any time during normal business hours, as often as deemed necessary, to audit, examine, and make excerpts or transcripts of all relevant data. Any deficiencies noted in audit reports must be fully cleared by the SUBRECIPIENT within 30 days after receipt by the SUBRECIPIENT. Failure of the SUBRECIPIENT to comply with the above audit requirements will constitute a violation of this Subrecipient Agreement and may result in the withholding of future payments. The SUBRECIPIENT hereby agrees to have an annual agency audit conducted in accordance with 2 CFR 200 and to submit a copy of that audit to the COUNTY within thirty (30) days after the SUBRECIPIENT'S receipt thereof.

7. Public Records

SUBRECIPIENT shall comply with applicable public records laws. SUBRECIPIENT shall keep and maintain public records required by COUNTY to perform the services contemplated herein. Upon request from the COUNTY'S custodian of public records, SUBRECIPIENT shall provide COUNTY with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in chapter 119, F.S., or as otherwise provided by law. SUBRECIPIENT shall ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the contract if the SUBRECIPIENT does not transfer the records to the COUNTY. Upon completion or early termination of the Agreement, SUBRECIPIENT shall transfer, at no cost, to the COUNTY all public records in possession of SUBRECIPIENT or keep and maintain public records required by COUNTY to perform the services contemplated herein. The use of program income by the SUBRECIPIENT shall comply with the requirements set forth at 24 CFR 570.504. By way of further limitations, the SUBRECIPIENT may only use such program income during the Subrecipient Agreement period for activities permitted under this Subrecipient Agreement and shall reduce requests for additional funds by the amount of any such program income balance on hand. All unexpended program income shall be returned to the COUNTY at the end of the Subrecipient Agreement period. Any interest earned on cash advances from the U.S. Treasury and from funds held in a revolving fund account is not program income and shall be remitted promptly to the COUNTY.

2. Indirect Costs

The SUBRECIPIENT shall administer its program in conformance with 2 CFR 200 as applicable. These principles shall be applied for all costs incurred whether charged on a direct or indirect basis. No indirect costs are allowed under this Subrecipient Agreement.

3. Payment Procedures

The COUNTY will pay to the SUBRECIPIENT funds available under this Agreement based upon information submitted by the SUBRECIPIENT and consistent with any approved budget and COUNTY policy concerning payments. With the exception of certain advances, payments will be made for eligible expenses actually incurred by the SUBRECIPIENT, and not to exceed actual cash requirements. Payments will be adjusted by the COUNTY in accordance with advance fund and program income

balances available in SUBRECIPIENT accounts. In addition, the COUNTY reserves the right to liquidate funds available under this Agreement for costs incurred by the COUNTY on behalf of the SUBRECIPIENT.

The SUBRECIPIENT shall submit regular Progress Reports to the COUNTY in the form, content, and frequency as required by the COUNTY. These reports shall be submitted on a monthly basis and are due by the 15th of the month subsequent to the provision of services of which the SUBRECIPIENT is reporting.

1. Compliance

If the SUBRECIPIENT is a non-governmental entity, the SUBRECIPIENT shall comply with the current COUNTY policy concerning the purchase of equipment and shall maintain inventory records of all non-expendable personal property as defined by such policy as may be procured with funds provided herein, so long as the COUNTY policy is more stringent than and not in conflict with 2 CFR 200. In the event of a conflict, 2 CFR 200 applies. All program assets (unexpended program income, property, equipment, etc.) shall revert to the COUNTY upon termination of this Subrecipient Agreement.

In the event the SUBRECIPIENT is a governmental entity, it may follow its own procurement policies concerning the purchase of equipment, provided the policies are equal to or more stringent than and not in conflict with those found in 2 CFR 200.

SUBRECIPIENT shall maintain inventory records of all non-expendable personal property as defined by such policy as may be procured with funds provided herein. All program assets (unexpended program income, property, equipment, etc.) shall revert to the COUNTY upon termination of this Subrecipient Agreement. E. System for Award Management (SAM) Requirement

Unless the SUBRECIPIENT of this award is exempted from this requirement under 2 CFR 25.110, the SUBRECIPIENT must maintain the accuracy of its information in the SAM until the SUBRECIPIENT submits the final financial report required under this award or receives the final payment, whichever is later. This requires that the SUBRECIPIENT review and update the information at least annually after the initial registration, and more frequently if required by changes in the SUBRECIPIENT information or by another award condition.

XIII. RELOCATION, REAL PROPERTY ACQUISITION AND ONE-FOR-ONE HOUSING REPLACEMENT

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by

the administering agency the contractor may request the United States to enter into such litigation to protect the interests of the United States.

Byrd Anti-Lobbying Amendment (31 U.S.C. 1352) (All contracts over \$100,000)

Contractors that apply or bid for an award of \$100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal Contract, grant or other award covered by 31 U.S.C. 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection obtaining any Federal award.

Clean Air and Water Act (All contracts over \$150,000)

The contract and contractor must comply with all applicable standards, orders, or requirements issued under the Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended, 1318 relating to inspection, monitoring, entry, reports, and information, as well as other requirements specified in said Section 114 and Section 308, and all regulations and guidelines issued thereunder; and the Environmental Protection Agency (EPA) regulations pursuant to 40 CFR 50, as amended. Violations must be reported to the Federal awarding agency and the Regional office of the Environmental Protection Agency (EPA).

Bonding (Construction or facility improvement) (\$250,000)

Contractor must meet the following minimum requirements:

- (1) A bid guarantee from each bidder equivalent to five percent of the bid price. The "bid guarantee" must consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of the bid, execute such contractual documents as may be required within the time specified.
- (2) A performance bond on the part of the contractor for 100 percent of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract.
- (3) A payment bond on the part of the contractor for 100 percent of the contract price. A "payment bond" is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract.

Section 3 Clause (All contracts over \$200,000)

Section 3 -According to 24 CFR 75.3(a)(2) a Section 3 project is the site or sites together with any building(s) and improvements located on the site(s) that are under common ownership, management and financing. Opportunities:

- (1) The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of Section 3 is to ensure employment and other economic opportunities to the greatest extent feasible to low- and very-low income persons and businesses.
- (2) The parties to this contract agree to comply with HUD's regulations in 24 CFR part 75, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would

prevent them from complying with the part 75 regulations. To the greatest extent feasible, the Prime Contractor should encourage Section 3 Workers or Business Concerns to participate in the project.

(3) According to 24 CFR 75.5 the Section 3 Targeted Worker is a low or very low-income worker residing within the neighborhood or service area of the project, and a 'Section 3 Worker' is any worker who currently fits or when hired within the past five years (since 11-30-2020) fit at least one of the following criteria:

- Low or very low-income as established by HUD's income limits;
- Employed by a Section 3 business concern; or
- A Youth Build participant.

Documentation must be maintained to ensure workers meet the definitions. Requirements for a Section 3 Worker may include:

- Worker's self-certification that their income is below the income limit from the prior calendar year;
- Worker's self-certification of participation in a means-tested program such as Public Housing or Section 8;
- Certification from a Public Housing Authority (PHA) or Section 8 program manager that the worker is a participant in such a program;
- Employer's certification that the worker's income from that employer is below the income limit; or

Requirements for a Targeted Section 3 Worker may include:

- Worker's self-certification of participation in a means tested program such as Public Housing or Section 8;
- Certification from a PHA or Section program manager that the worker is a participant in such a program;
- Employer's certification that the worker is employed by a Section 3 Business Concern; or
- Worker's certification that the worker is a Youth Build participant.

(4) According to 24 CFR 75.5 businesses that meet one of the following criteria within the last six (6) months are considered Section 3 Business Concerns:

- At least 51 % owned and controlled by low-income or very low income persons;
- Over 75% of labor hours performed for the business over prior 3-month period are performed by Section 3 Workers;
- At least 51% owned and controlled by current residents of public housing or Section 8 assisted housing; and
- Businesses must verify their status as a Section 3 business concern at the time the contract is awarded.

(5) Qualitative reporting based upon §75.25(b) would include a description of efforts taken to meet requirements for Section 3 Workers or Business Concerns. Examples include:

- Holding Job Fairs;
- Conduct On-Job Training; or
- Outreach Efforts to Public Housing Residents.

Remedies for Violation or Breach of Contract Terms (All contracts over \$250,000) (Include provisions meeting the requirements below and SUBRECIPIENT'S Uniform Guidance-compliant standard procurement/contracting methods in all contracts for more than the simplified acquisition threshold, currently set at \$250,000.)

Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, currently set at \$250,000 must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms and provide for such sanctions and penalties as appropriate.

Davis-Bacon and Related Acts Requirements

See Davis-Bacon Wage Determination Decision, #[*Subrecipient to insert appropriate Wage # here*]

(a) Davis-Bacon Contract provisions and related matters (Construction over \$2,000)

(1) Minimum wages —

(i) Wage rates and fringe benefits. All laborers and mechanics employed or working upon the site of the work (or otherwise working in construction or development of the project under a development statute), will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR part 3)), the full amount of basic hourly wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. As provided in paragraphs (d) and (e) of this section, the appropriate wage determinations are effective by operation of law even if they have not been attached to the contract. Contributions made or costs reasonably anticipated for bona fide fringe benefits under the Davis-Bacon Act (40 U.S.C. 3141(2)(B)) on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of paragraph (a)(1)(v) of this section; also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period. Such laborers and mechanics must be paid the appropriate wage rate and fringe benefits on the wage determination for the classification(s) of work actually performed, without regard to skill, except as provided in paragraph (a)(4) of this section. Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classifications and wage rates conformed under paragraph (a)(1)(iii) of this section) and the Davis-Bacon poster (WH-1321) must be posted at all times by the

contractor and its subcontractors at the site of the work in a prominent and accessible place where it can be easily seen by the workers.

(ii) Frequently recurring classifications.

(A) In addition to wage and fringe benefit rates that have been determined to be prevailing under the procedures set forth in 29 CFR part 1, a wage determination may contain, pursuant to § 1.3(f), wage and fringe benefit rates for classifications of laborers and mechanics for which conformance requests are regularly submitted pursuant to paragraph (a)(1)(iii) of this section, provided that:

- (1) The work performed by the classification is not performed by a classification in the wage determination for which a prevailing wage rate has been determined;
- (2) The classification is used in the area by the construction industry; and
- (3) The wage rate for the classification bears a reasonable relationship to the prevailing wage rates contained in the wage determination.

(B) The Administrator will establish wage rates for such classifications in accordance with paragraph (a)(1)(iii)(A)(3) of this section. Work performed in such a classification must be paid at no less than the wage and fringe benefit rate listed on the wage determination for such classification.

(iii) Conformance.

(A) The contracting officer must require that any class of laborers or mechanics, including helpers, which is not listed in the wage determination and which is to be employed under the contract be classified in conformance with the wage determination. Conformance of an additional classification and wage rate and fringe benefits is appropriate only when the following criteria have been met:

- (1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and
- (2) The classification is used in the area by the construction industry; and
- (3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(B) The conformance process may not be used to split, subdivide, or otherwise avoid application of classifications listed in the wage determination.

(C) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and the contracting officer agree on the classification and wage rate (including the amount designated for fringe benefits where

appropriate), a report of the action taken will be sent by the contracting officer by email to DBAconformance@dol.gov. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(D) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and the contracting officer do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), the contracting officer will, by email to DBAconformance@dol.gov, refer the questions, including the views of all interested parties and the recommendation of the contracting officer, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise the contracting officer or will notify the contracting officer within the 30-day period that additional time is necessary.

(E) The contracting officer must promptly notify the contractor of the action taken by the Wage and Hour Division under paragraphs (a)(1)(iii)(C) and (D) of this section. The contractor must furnish a written copy of such determination to each affected worker or it must be posted as a part of the wage determination. The wage rate (including fringe benefits where appropriate) determined pursuant to paragraph (a)(1)(iii)(C) or (D) of this section must be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iv) **Fringe benefits not expressed as an hourly rate.** Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor may either pay the benefit as stated in the wage determination or may pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(v) **Unfunded plans.** If the contractor does not make payments to a trustee or other third person, the contractor may consider as part of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program, provided, that the Secretary of Labor has found, upon the written request of the contractor, in accordance with the criteria set forth in § 5.28, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program.

(vi) **Interest.** In the event of a failure to pay all or part of the wages required by the contract, the contractor will be required to pay interest on any underpayment of wages.

(2) Withholding —

(i) **Withholding requirements.** The County or the U.S. Department of Housing and Urban Development (HUD) may, upon its own action, or must, upon written request of an authorized representative of the Department of Labor, withhold or cause to be withheld from the contractor so much of the accrued payments or advances as may be considered necessary to satisfy the liabilities of the prime contractor or any subcontractor for the full amount of wages and monetary relief, including interest, required by the clauses set forth in paragraph (a) of this section for violations of this contract, or to satisfy any such liabilities required by any other Federal contract, or federally assisted contract subject to Davis-Bacon labor standards, that is held by the same prime contractor (as defined in § 5.2). The necessary funds may be withheld from the contractor under this contract, any other Federal contract with the same prime contractor, or any other federally assisted contract that is subject to Davis-Bacon labor standards requirements and is held by the same prime contractor, regardless of whether the other contract was awarded or assisted by the same agency, and such funds may be used to satisfy the contractor liability for which the funds were withheld. In the event of a contractor's failure to pay any laborer or mechanic, including any apprentice or helper working on the site of the work (or otherwise working in construction or development of the project under a development statute) all or part of the wages required by the contract, or upon the contractor's failure to submit the required records as discussed in paragraph (a)(3)(iv) of this section, the County or HUD may on its own initiative and after written notice to the contractor, sponsor, applicant, owner, or other entity, as the case may be, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased.

(ii) **Priority to withheld funds.** The Department has priority to funds withheld or to be withheld in accordance with paragraph (a)(2)(i) or (b)(3)(i) of this section, or both, over claims to those funds by:

- (A) A contractor's surety(ies), including without limitation performance bond sureties and payment bond sureties;
- (B) A contracting agency for its procurement costs;
- (C) A trustee(s) (either a court-appointed trustee or a U.S. trustee, or both) in bankruptcy of a contractor, or a contractor's bankruptcy estate;
- (D) A contractor's assignee(s);
- (E) A contractor's successor(s); or
- (F) A claim asserted under the Prompt Payment Act, 31 U.S.C. 3901–3907.

(3) **Records and certified payrolls —**

(i) **Basic record requirements —**

(A) **Length of record retention.** All regular payrolls and other basic records must be maintained by the contractor and any subcontractor during the course of the work and preserved for all laborers and mechanics working at the site of the work (or otherwise working in construction or development of the project under a development statute) for a period of at least 10 years after all the work on the prime contract is completed.

(B) **Information required.** Such records must contain the name; Social Security number; last known address, telephone number, and email address of each such worker; each worker's correct classification(s) of work actually performed; hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in 40 U.S.C. 3141(2)(B) of the Davis-Bacon Act); daily and weekly number of hours actually worked in total and on each covered contract; deductions made; and actual wages paid.

(C) **Additional records relating to fringe benefits.** Whenever the Secretary of Labor has found under paragraph (a)(1)(v) of this section that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in 40 U.S.C. 3141(2)(B) of the Davis-Bacon Act, the contractor must maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits.

(D) **Additional records relating to apprenticeship.** Contractors with apprentices working under approved programs must maintain written evidence of the registration of apprenticeship programs, the registration of the apprentices, and the ratios and wage rates prescribed in the applicable programs.

(ii) **Certified payroll requirements —**

(A) **Frequency and method of submission.** The contractor or subcontractor must submit weekly, for each week in which any DBA- or Related Acts-covered work is performed, certified payrolls to the City of North Port if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the certified payrolls to the applicant, sponsor, owner, or other entity, as the case may be, that maintains such records, for transmission to the U.S. Department of Housing and Urban Development. The prime contractor is responsible for the submission of all certified payrolls by all subcontractors. A contracting agency or prime contractor may permit or require contractors to submit certified payrolls through an electronic system, as long as the electronic system requires a legally valid electronic signature; the system allows the contractor, the contracting agency, and the Department of Labor to access the certified payrolls upon request for at least 3 years after the work on the prime contract has been completed; and the contracting agency or prime

contractor permits other methods of submission in situations where the contractor is unable or limited in its ability to use or access the electronic system.

(B) Information required. The certified payrolls submitted must set out accurately and completely all of the information required to be maintained under paragraph (a)(3)(i)(B) of this section, except that full Social Security numbers and last known addresses, telephone numbers, and email addresses must not be included on weekly transmittals. Instead, the certified payrolls need only include an individually identifying number for each worker (e.g., the last four digits of the worker's Social Security number). The required weekly certified payroll information may be submitted using Optional Form WH-347 or in any other format desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division website at <https://www.dol.gov/sites/dolgov/files/WHD/legacy/files/wh347/.pdf> or its successor website. It is not a violation of this section for a prime contractor to require a subcontractor to provide full Social Security numbers and last known addresses, telephone numbers, and email addresses to the prime contractor for its own records, without weekly submission by the subcontractor to the sponsoring government agency (or the applicant, sponsor, owner, or other entity, as the case may be, that maintains such records).

(C) Statement of Compliance. Each certified payroll submitted must be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor, or the contractor's or subcontractor's agent who pays or supervises the payment of the persons working on the contract, and must certify the following:

- (1) That the certified payroll for the payroll period contains the information required to be provided under paragraph (a)(3)(ii) of this section, the appropriate information and basic records are being maintained under paragraph (a)(3)(i) of this section, and such information and records are correct and complete;
- (2) That each laborer or mechanic (including each helper and apprentice) working on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR part 3; and
- (3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification(s) of work actually performed, as specified in the applicable wage determination incorporated into the contract.

(D) Use of Optional Form WH-347. The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 will

satisfy the requirement for submission of the “Statement of Compliance” required by paragraph (a)(3)(ii)(C) of this section.

(E) **Signature.** The signature by the contractor, subcontractor, or the contractor's or subcontractor's agent must be an original handwritten signature or a legally valid electronic signature.

(F) **Falsification.** The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under 18 U.S.C. 1001 and 31 U.S.C. 3729.

(G) **Length of certified payroll retention.** The contractor or subcontractor must preserve all certified payrolls during the course of the work and for a period of 3 years after all the work on the prime contract is completed.

(iii) **Contracts, subcontracts, and related documents.** The contractor or subcontractor must maintain this contract or subcontract and related documents including, without limitation, bids, proposals, amendments, modifications, and extensions. The contractor or subcontractor must preserve these contracts, subcontracts, and related documents during the course of the work and for a period of 10 years after all the work on the prime contract is completed.

(iv) **Required disclosures and access —**

(A) **Required record disclosures and access to workers.** The contractor or subcontractor must make the records required under paragraphs (a)(3)(i) through (iii) of this section, and any other documents that the County, City of North Port, U.S. Department of Housing and Urban Development or the Department of Labor deems necessary to determine compliance with the labor standards provisions of any of the applicable statutes referenced by § 5.1, available for inspection, copying, or transcription by authorized representatives of the County, City of North Port, U.S. Department of Housing and Urban Development or the Department of Labor, and must permit such representatives to interview workers during working hours on the job.

(B) **Sanctions for non-compliance with records and worker access requirements.** If the contractor or subcontractor fails to submit the required records or to make them available, or refuses to permit worker interviews during working hours on the job, the Federal agency may, after written notice to the contractor, sponsor, applicant, owner, or other entity, as the case may be, that maintains such records or that employs such workers, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available, or to permit worker interviews during working hours on the job, may be grounds for debarment action pursuant to § 5.12. In addition, any contractor or other person that fails to submit the required records or make those

records available to WHD within the time WHD requests that the records be produced will be precluded from introducing as evidence in an administrative proceeding under 29 CFR part 6 any of the required records that were not provided or made available to WHD. WHD will take into consideration a reasonable request from the contractor or person for an extension of the time for submission of records. WHD will determine the reasonableness of the request and may consider, among other things, the location of the records and the volume of production.

(C) Required information disclosures. Contractors and subcontractors must maintain the full Social Security number and last known address, telephone number, and email address of each covered worker, and must provide them upon request to the U.S. Department of Housing and Urban Development if the agency is a party to the contract, or to the Wage and Hour Division of the Department of Labor. If the Federal agency is not such a party to the contract, the contractor, subcontractor, or both, must, upon request, provide the full Social Security number and last known address, telephone number, and email address of each covered worker to the applicant, sponsor, owner, or other entity, as the case may be, that maintains such records, for transmission to the City of North Port, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or other compliance action.

(4) Apprentices and equal employment opportunity —

(i) Apprentices —

(A) Rate of pay. Apprentices will be permitted to work at less than the predetermined rate for the work they perform when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship (OA), or with a State Apprenticeship Agency recognized by the OA. A person who is not individually registered in the program, but who has been certified by the OA or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice, will be permitted to work at less than the predetermined rate for the work they perform in the first 90 days of probationary employment as an apprentice in such a program. In the event the OA or a State Apprenticeship Agency recognized by the OA withdraws approval of an apprenticeship program, the contractor will no longer be permitted to use apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(B) Fringe benefits. Apprentices must be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable

apprentice classification, fringe benefits must be paid in accordance with that determination.

(C) Apprenticeship ratio. The allowable ratio of apprentices to journey workers on the job site in any craft classification must not be greater than the ratio permitted to the contractor as to the entire work force under the registered program or the ratio applicable to the locality of the project pursuant to paragraph (a)(4)(i)(D) of this section. Any worker listed on a payroll at an apprentice wage rate, who is not registered or otherwise employed as stated in paragraph (a)(4)(i)(A) of this section, must be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under this section must be paid not less than the applicable wage rate on the wage determination for the work actually performed.

(D) Reciprocity of ratios and wage rates. Where a contractor is performing construction on a project in a locality other than the locality in which its program is registered, the ratios and wage rates (expressed in percentages of the journey worker's hourly rate) applicable within the locality in which the construction is being performed must be observed. If there is no applicable ratio or wage rate for the locality of the project, the ratio and wage rate specified in the contractor's registered program must be observed.

(ii) Equal employment opportunity. The use of apprentices and journey workers under this part must be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR part 30.

(5) Compliance with Copeland Act requirements. The contractor shall comply with the requirements of 29 CFR part 3, which are incorporated by reference in this contract.

(6) Subcontracts. The contractor or subcontractor must insert in any subcontracts the clauses contained in paragraphs (a)(1) through (11) of this section, along with the applicable wage determination(s) and such other clauses or contract modifications as the County or U.S. Housing and Urban Development may by appropriate instructions require, and a clause requiring the subcontractors to include these clauses and wage determination(s) in any lower tier subcontracts. The prime contractor is responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in this section. In the event of any violations of these clauses, the prime contractor and any subcontractor(s) responsible will be liable for any unpaid wages and monetary relief, including interest from the date of the underpayment or loss, due to any workers of lower-tier subcontractors, and may be subject to debarment, as appropriate.

(7) Contract termination: debarment. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract, and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

(8) Compliance with Davis-Bacon and Related Act requirements. All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR parts 1, 3, and 5 are herein incorporated by reference in this contract.

(9) Disputes concerning labor standards. Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and the contracting agency, the U.S. Department of Labor, or the employees or their representatives.

(10) Certification of eligibility.

(i) By entering into this contract, the contractor certifies that neither it nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of 40 U.S.C. 3144(b) or § 5.12(a).

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of 40 U.S.C. 3144(b) or § 5.12(a).

(iii) The penalty for making false statements is prescribed in the U.S. Code, Title 18 Crimes and Criminal Procedure, 18 U.S.C. 1001.

(11) Anti-retaliation. It is unlawful for any person to discharge, demote, intimidate, threaten, restrain, coerce, blacklist, harass, or in any other manner discriminate against, or to cause any person to discharge, demote, intimidate, threaten, restrain, coerce, blacklist, harass, or in any other manner discriminate against, any worker or job applicant for:

(i) Notifying any contractor of any conduct which the worker reasonably believes constitutes a violation of the DBA, Related Acts, this part, or 29 CFR part 1 or 3;

(ii) Filing any complaint, initiating or causing to be initiated any proceeding, or otherwise asserting or seeking to assert on behalf of themselves or others any right or protection under the DBA, Related Acts, this part, or 29 CFR part 1 or 3;

(iii) Cooperating in any investigation or other compliance action, or testifying in any proceeding under the DBA, Related Acts, this part, or 29 CFR part 1 or 3; or

(iv) Informing any other person about their rights under the DBA, Related Acts, this part, or 29 CFR part 1 or 3.

(b) Contract Work Hours and Safety Standards Act (CWHSSA). (Contracts over \$100,000) As used in this paragraph (b), the terms "laborers and mechanics" include watchpersons and guards.

(1) **Overtime requirements.** No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

(2) **Violation; liability for unpaid wages; liquidated damages.** In the event of any violation of the clause set forth in paragraph (b)(1) of this section the contractor and any subcontractor responsible therefore shall be liable for the unpaid wages and interest from the date of the underpayment. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchpersons and guards, employed in violation of the clause set forth in paragraph (b)(1) of this section, in the sum of \$31 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (b)(1).

(3) **Withholding for unpaid wages and liquidated damages —**

(i) **Withholding process.** The City of North Port, County or U.S. Department of Housing and Urban Development may, upon its own action, or must, upon written request of an authorized representative of the Department of Labor, withhold or cause to be withheld from the contractor so much of the accrued payments or advances as may be considered necessary to satisfy the liabilities of the prime contractor or any subcontractor for any unpaid wages; monetary relief, including interest; and liquidated damages required by the clauses set forth in this paragraph (b) on this contract, any other Federal contract with the same prime contractor, or any other federally assisted contract subject to the Contract Work Hours and Safety Standards Act that is held by the same prime contractor (as defined in § 5.2). The necessary funds may be withheld from the contractor under this contract, any other Federal contract with the same prime contractor, or any other federally assisted contract that is subject to the Contract Work Hours and Safety Standards Act and is held by the same prime contractor, regardless of whether the other contract was awarded or assisted by the same agency, and such funds may be used to satisfy the contractor liability for which the funds were withheld.

(ii) **Priority to withheld funds.** The Department has priority to funds withheld or to be withheld in accordance with paragraph (a)(2)(i) or (b)(3)(i) of this section, or both, over claims to those funds by:

(A) A contractor's surety(ies), including without limitation performance bond sureties and payment bond sureties;

(B) A contracting agency for its procurement costs;

(C) A trustee(s) (either a court-appointed trustee or a U.S. trustee, or both) in bankruptcy of a contractor, or a contractor's bankruptcy estate;

(D) A contractor's assignee(s);

(E) A contractor's successor(s); or

(F) A claim asserted under the Prompt Payment Act, 31 U.S.C. 3901–3907.

(4) **Subcontracts.** The contractor or subcontractor must insert in any contracts or subcontracts in an excess of \$100,000 the clauses set forth in paragraphs (b)(1) through (5) of this section and a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor is responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (b)(1) through (5). In the event of any violations of these clauses, the prime contractor and any subcontractor(s) responsible will be liable for any unpaid wages and monetary relief, including interest from the date of the underpayment or loss, due to any workers of lower-tier subcontractors, and associated liquidated damages and may be subject to debarment, as appropriate.

(5) **Anti-retaliation.** It is unlawful for any person to discharge, demote, intimidate, threaten, restrain, coerce, blacklist, harass, or in any other manner discriminate against, or to cause any person to discharge, demote, intimidate, threaten, restrain, coerce, blacklist, harass, or in any other manner discriminate against, any worker or job applicant for:

(i) Notifying any contractor of any conduct which the worker reasonably believes constitutes a violation of the Contract Work Hours and Safety Standards Act (CWHSSA) or its implementing regulations in this part;

(ii) Filing any complaint, initiating or causing to be initiated any proceeding, or otherwise asserting or seeking to assert on behalf of themselves or others any right or protection under CWHSSA or this part;

(iii) Cooperating in any investigation or other compliance action, or testifying in any proceeding under CWHSSA or this part; or

(iv) Informing any other person about their rights under CWHSSA or this part.

(c) **CWHSSA required records clause.** In addition to the clauses contained in paragraph (b) of this section, in any contract subject only to the Contract Work Hours and Safety Standards Act and not to any of the other laws referenced by § 5.1, the Subrecipient must cause or require the contracting officer to insert a clause requiring that the contractor or subcontractor must maintain regular payrolls and other basic records during the course of the work and must preserve them for a period of 3 years after all the work on the prime contract is completed for all laborers and mechanics, including guards and watchpersons, working on the contract. Such records must contain the name; last known address, telephone number, and email address; and social security number of each such worker; each worker's correct

classification(s) of work actually performed; hourly rates of wages paid; daily and weekly number of hours actually worked; deductions made; and actual wages paid. Further, the Agency Head must cause or require the contracting officer to insert in any such contract a clause providing that the records to be maintained under this paragraph must be made available by the contractor or subcontractor for inspection, copying, or transcription by authorized representatives of the (write the name of agency) and the Department of Labor, and the contractor or subcontractor will permit such representatives to interview workers during working hours on the job.

(d) Incorporation of contract clauses and wage determinations by reference. Although agencies are required to insert the contract clauses set forth in this section, along with appropriate wage determinations, in full into covered contracts, and contractors and subcontractors are required to insert them in any lower-tier subcontracts, the incorporation by reference of the required contract clauses and appropriate wage determinations will be given the same force and effect as if they were inserted in full text.

(e) Incorporation by operation of law. The contract clauses set forth in this section (or their equivalent under the Federal Acquisition Regulation), along with the correct wage determinations, will be considered to be a part of every prime contract required by the applicable statutes referenced by § 5.1 to include such clauses, and will be effective by operation of law, whether or not they are included or incorporated by reference into such contract, unless the Administrator grants a variance, tolerance, or exemption from the application of this paragraph. Where the clauses and applicable wage determinations are effective by operation of law under this paragraph, the prime contractor must be compensated for any resulting increase in wages in accordance with applicable law.

The contractor shall comply with the Davis-Bacon Act, as amended (40 USC 3141-3148) as supplemented by Department of Labor regulations (29 CFR, Part 5). Under this Act contractors shall be required to pay wages to laborers and mechanics at a rate not less than the minimum wages specified in a wage determination made by the Secretary of Labor. In addition, contractors shall be required to pay wages not less often than once a week. A copy of the prevailing wage rates is included in this solicitation. Any known changes to these wage rates prior to award of contract, shall be made known to offerors. In addition, contractors will be required to provide payroll information to The City of North Port on a weekly basis for verification of compliance. SUBRECIPIENT shall report all suspected or reported violations of this condition to the U.S. Department of Housing and Urban Development and/or the U.S. Department of Labor.

Copeland II Anti-Kickback Act" (All construction contracts over \$2,000)

The contractor shall comply with the Copeland "Anti-Kickback" Act (40 USC 3145) as supplemented in Department of Labor regulations (29 CFR, Part 3). This Act provides that each contractor or subgrantee shall be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he is otherwise entitled. Sarasota County shall report all suspected or reported violations to the U.S. Department of Housing and Urban Development.
