

EXHIBIT # 2

**UNITED WAY SOUTH SARASOTA COUNTY
DISASTER AGENCY RESPONSE TECHNOLOGY
(DART)**

In order to best support my household's disaster recovery following Hurricane Helene/ Milton, I authorize the sharing of my household's information in Disaster Agency Response Technology (DART), a secure database.

I understand that information about my household including contact information, details about my recovery plan, notes about conversations with agency workers and other information used to coordinate my recovery may be shared with certain authorized agencies providing, coordinating or administering disaster recovery assistance programs. My information may be shared with these authorized volunteer agencies as needed to help further my recovery.

I understand that once my information is stored in a shared database, it may not be possible to remove my information entirely. However, I understand that I retain the right to stop additional information from being entered and shared by submitting a written request to:

United Way South Sarasota County
4242 S. Tamiami Trl
Venice, FL 34293

I understand that I may also request a copy of my information by submitting a written request to:

United Way South Sarasota County
4242 S. Tamiami Trl
Venice, FL 34293

which will be provided within 30 days after United Way South Sarasota County receives the request.

Please indicate:
Do you authorize the sharing of your information as described above? **YES** **NO**
