**Why do you desire to serve on the above Board/Committee? Please list any relative experience, if applicable.**

I believe that art is an often forgotten aspect, yet critical part of life. Art when utilized correctly can lead, strengthen, and inspire society for the better. By serving on the board, I can influence how art is used and seen. As someone deeply inspired and participating in the arts with a current student background, I can effectively provide a perspective that is unique in the current landscape of the board.
