### Events Where City Costs are Funded

The City Commission shall on a case by case basis approve special events for which some or all the costs of City fees and or resources are subsidized through a specially funded account. For funding consideration, the event must be held in the City of North Port and meet the guidelines as outlined in City Special Events Assistance Program Guidelines and the Unified Land Development Code Chapter 53, Section 53-265 Special Events.

### Instructions

The applicant shall submit to the Planning and Zoning Division, a completed Special Events Assistance Program application. The application will be presented to the City Commission at the next available regularly scheduled meeting to consider the applicant's request for funding and either approve or deny the request. The funding amount if granted, will be applied directly to City fees and or resources associated with the special event. If the amount of funding is insufficient to cover the cost of City fees and or resources, it shall be the responsibility of the applicant to pay the difference. Although a special event permit is not required at the time of application for assistance, an issued special events permit is required for the event to be held.
