Want to get involved with the future of local schools? The Sarasota County School Board is looking for a North Port resident to join their Citizens Advisory Committee for School Facility Planning. We know what you're thinking... that's a mouthful. Let us help break it down. This committee will help give direction for the Sarasota County School Board to consider, relating to topics such as future school locations, land use regulations, and more. The board would meet once or twice annually, usually in Sarasota. The board is shooting for an April meeting, so we need your help! The local representative must be approved by North Port City Commissioners before being considered by the School Board. If you're interested in being our representative, follow this link to fill out an application to submit to our City Clerk's Office. <https://bit.ly/2DSLhSU>
