## Terms & Conditions

**This form must be signed unless submitting a signed PO from any Governmental Entity**

**ALTERATION OF TERMS AND CONDITIONS NOT PERMITTED.** This Sales Order and Quote Form ("Quote") constitutes an offer by Alamo Industrial ("Seller") to the buying party named on page 1 of this Quote ("Buyer") for the sale of products set forth in the Quote. The offer made in this Quote by Seller is subject to the terms and conditions set forth below. Buyer may accept this offer by providing Seller with an official purchase order or other written confirmation citing the quotation number on page 1. Seller's acceptance of Buyer's order, and Seller's offer, is expressly conditioned on Buyer's agreement to these Terms and Conditions. Seller objects to and rejects any conflicting or additional terms and conditions proposed by Buyer in any form whatsoever. Seller expressly rejects any provisions that dictate that Buyer's terms control or any additional or different provisions in Buyer's electronic business portal. Buyer's acceptance of items described in the accompanying Quote sold hereunder will manifest Buyer's consent to these Terms and Conditions. If Buyer requests shipment based on telephone or purchase order, Buyer does so with the understanding that these Terms and Conditions apply. No variation, addition, termination, or waiver of any term or condition will be binding on Seller unless in writing and signed by Seller's duly authorized representative. Seller's failure to object to any provision or terms from Buyer will not be a waiver or amendment of any of the provisions of these Terms and Conditions.

**ACCEPTANCE.** ACCEPTANCE OF THIS QUOTE MEANS THAT BUYER HAS FULLY ACCEPTED AND UNDERSTANDS THE TERMS & CONDITIONS SET FORTH IN THIS QUOTE. ANY DIFFERENT OR ADDITIONAL TERMS FROM THOSE SET FORTH IN THIS QUOTE SHALL BE VOID. This Quote automatically expires ninety (90) calendar days from the date issued unless sooner terminated by notice.

**DELIVERY.** Unless otherwise agreed to in writing, delivery of equipment shall be made F.O.B. place of shipment and delivery of equipment to a carrier at any of Seller's plants or such other shipping points as Seller may designate shall constitute delivery to Buyer; and regardless of freight payment, title and all risk of loss or damages in transit shall pass to Buyer at that time. Great care is taken in packing the Seller's equipment. Seller cannot be held responsible for breakage after having received "in good order" receipts from the transportation company. All claims for loss and damage must be made by Buyer to the carrier. Claims for shortages or other errors must be made in writing to Seller within 30 days after receipt of shipment, and failure to give such notice shall constitute unqualified acceptance and a waiver of all such claims by Buyer. Method and route of shipment will be at the discretion of Seller unless Buyer shall specify otherwise, and any additional expenses of the method or route of shipment specified by Buyer shall be borne by Buyer. Seller reserves the right to make delivery in installments, unless otherwise expressly stipulated in the contract for sale and all such installments, when separately invoiced, shall be paid for when due per invoice without regard to subsequent deliveries. Delay in delivery of any installment shall not relieve Buyer of its obligations to accept remaining deliveries. Seller shall not be liable for any damage as a result of any delay due to any cause beyond the Seller's reasonable control, including without limitation, an act of God; act of Buyer, embargo or other governmental act, regulation or request; fire; accident; strike; slow down; war; riot; delay in transportation; or inability to obtain necessary labor, materials or manufacturing facilities. In the event of any such delay, the date of delivery shall be extended for a period equal to the time lost by reason of the delay.

**TAXES AND OTHER CHARGES.** Any manufacturer's tax, retailer's occupation tax, use tax, sales tax, excise tax, duty, custom, inspection or testing fee, or other tax, fee or charge of any nature whatsoever, imposed by any governmental authority, on or measured by any transaction between the Seller and Buyer, shall be paid by Buyer in addition to the prices quoted or invoiced. In the event Seller shall be required to pay any such tax, fee or charge, Buyer shall reimburse Seller therefore, or, in lieu of such payment, Buyer shall provide Seller at the time the order is submitted, with an exemption certificate of other document acceptable to the authority imposing the same.

**WARRANTIES.** Seller warrants for one year from the purchase date to the original non-commercial, governmental, or municipal purchaser and warrants for six months to the original commercial or industrial purchaser that the goods purchased are free from defects in material or workmanship. Seller will replace for Buyer any part or parts found, upon examination at one of its factories, to be defective under normal use and service due to defects in material or workmanship. This limited warranty does not apply to any part of the goods which has been subjected to improper or abnormal use, negligence, alteration, modification, or accident, damaged due to lack of maintenance or use of wrong fuel, oil, or lubricants, or which has served its normal life. This limited warranty does not apply to any part of any internal combustion engine or expendable items such as blades, shields, or guards except as specifically found in your Operator's Manual. Except as provided herein, no employee, agent, Dealer, or other person is authorized to give any warranties of any nature on behalf of Seller. If after examining the goods and/or parts in question, Seller finds them to be defective under normal use and service due to defects in material or workmanship, Seller will: (a) repair or replace the defective goods or part(s) or (b) reimburse Buyer for the cost of the part(s) and reasonable labor charges (as determined by Seller) if Buyer paid for the repair and/or replacement prior to the final determination of applicability of the warranty by Seller. The choice of remedy shall belong to Seller. Buyer is responsible for any labor charges exceeding a reasonable amount as determined by Seller and for returning the goods to

SELLER MAKES NO WARRANTY AS TO THE DESIGN, CAPABILITY, CAPACITY, OR SUITABILITY FOR USE OF THE GOODS. NOTWITHSTANDING THE ABOVE LIMITATIONS AND WARRANTIES, SELLER'S LIABILITY HEREUNDER FOR DAMAGES INCURRED BY BUYER OR OTHERS SHALL NOT EXCEED THE PRICE OF THE GOODS. NO ACTION ARISING OUT OF ANY CLAIMED BREACH OF THIS WARRANTY OR TRANSACTIONS UNDER THIS WARRANTY MAY BE BROUGHT MORE THAN TWO (2) YEARS AFTER THE CAUSE OF ACTION HAS OCCURRED.
