Subject: Bid Recommendation for RFB NO. 2019-13
Wastewater Transmission Expansion MCWTP to Ortiz Phase I

Dear Mr. Acosta:

Bids for RFB NO. 2019-13 Wastewater Transmission Expansion MCWTP to Ortiz Phase I were opened. One (1) bid was received with unit costs for item required for the project. The total bid amount for the contractor that submitted is as follows:

Andrew Sitework LLC – \$303,932.00

The amount of the total bid is 12% different than the \$271, 093 opinion of probable construction costs previously provided.

Reference checks were performed. This check resulted in a finding that the bidder has completed similar projects successfully and are qualified to perform this type of work for the City of North Port.

Based on our review of the aforesaid information, it is our opinion that the apparent low bidder for this project is Andrew Sitework LLC. They have demonstrated the necessary qualifications and we therefore recommend award of the project to Andrew Sitework LLC.

Sincerely,

Marc. C. Stonehouse, P.E.
