NAME OF REQUESTOR Vicki Edwards

Sections 2-407 of the City of North Port Procurement Code states a Sole/Single source purchase is defined as a non-competitive purchase of supplies, equipment and contractual services that is either: the only item that will produce the desired results; or is available from only one source of supply who possesses the unique and singularly available capability to meet the requirement of the solicitation (such as technical qualifications, ability to deliver at a particular time, or services from a public utility). Sole Source services must be available only from vendors (firms or individuals) who are uniquely qualified to perform such services. All Sole/Single source requests will be posted on DemandStar & the City's Purchasing site for seven (7) calendar days.

- ☐ Patent, copyright or unique design restrictions (**Sole Source**) *Attach verification from Manufacturer*
- ☐ Proprietary rights in technical data and/or product formulations (e.g. cleaning compounds, lubricating oils, paint, etc.), which can only be determined through extensive laboratory analysis and examination (**Sole Source**) *Attach verification from Manufacturer*
