- B. This Agreement shall commence March 1, 2018 upon the execution of this Agreement by both the City and the Contractor and shall remain in effect through February 28, 2021. This Agreement may be renewed for two (2) additional one (1) year terms, subject to the Contractor's satisfactory performance, by mutual agreement and within budgetary limitations, at the same terms and conditions.

2. COMPENSATION AND PAYMENT FOR CONTRACTOR'S SERVICES

A. COMPENSATION

- 1. The Contractor shall receive payments as set forth in the Scope of Services and Fee Schedule (Attachments A and B) as compensation for its services. This compensation shall include all profit, direct and indirect labor costs, personnel related costs, overhead and administrative costs, travel related out-of-pocket expenses and costs, and all other costs which are necessary to provide the services as outlined in this Agreement. The Scope of Services and Fee Schedule (Attachments A and B) are attached hereto and incorporated within.
- 2. The Parties acknowledge and agree that the obligations of City to fulfill financial obligations of any kind pursuant to any and all provisions of this Agreement, or any subsequent agreement entered into pursuant to this Agreement or referenced herein to which City is a party, are and shall remain subject to the provisions of the Fiscal Non-Funding Act, Section 166.241, Florida Statutes, regardless of whether a particular obligation has been expressly so conditioned. City agrees to exercise all lawful and available authority to satisfy any financial obligations of City that may arise under this Agreement; however, since funds are appropriated annually by the City Commission on a fiscal year basis, City's legal liability for the payment of any costs shall not arise unless and until appropriations for such costs are approved for the applicable fiscal year by the City Commission (nor shall such liability arise if,

a request for such appropriations is excluded from the budget approved by the City Commission). During the term of this Agreement, the City Manager or other appropriate official shall for each fiscal period include in the budget application submitted to the City Commission the amount necessary to fund City's obligations hereunder for such fiscal period. Notwithstanding the foregoing, no officer, employee, director, member or other natural person or agent of City shall have any personal liability in connection with the breach of the provisions of this Section or in the event of a default by City under this Section. This Agreement shall not constitute an indebtedness of City nor shall it constitute an obligation for which City is obligated to levy or pledge any form of taxation or for which City has levied or pledged any form of taxation.

B. METHOD OF PAYMENT

1. The City shall pay the Contractor through payment issued by the Finance Department in accordance with the Florida Local Government Prompt Payment Act, Chapter 218, Florida Statutes, upon receipt of the Contractor's invoice and written approval of same by the City's Administrative Agent indicating that services have been rendered in conformity with this Agreement. The Contractor shall submit an invoice for payment to the City for those specific tasks as described in the Scope of Services that were completed during that invoicing period.
2. For those specific services that were partially completed, progress payments shall be paid in proportion to the percentage of completed work on those specific services approved in writing by the City's Administrative Agent based on the percentage of the amount for those specific services.
3. The Contractor's invoices shall be in a form satisfactory to the City of North Port Finance Department, which shall initiate disbursements.

3. LIABILITY OF CONTRACTOR

The Contractor shall be fully liable for the actions of its directors, officers, members, partners, or subcontractors, and the employees and agents of each of them, and shall fully indemnify, defend and hold harmless the City, its commissioners, employees, agents and assigns from all demands, claims, suits, actions, judgments, damages, fines, fees, taxes, assessments, penalties, losses, expenses, costs of every type and description, and reasonable attorneys' fees (at both trial and appellate levels), of any nature or kind whatsoever caused by, or arising out of or related to the performance or breach of this Agreement by the Contractor, its officers, directors, members, partners, or subcontractors, and employees or agents of any of them; provided, however, that the Contractor shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of the City.

To the extent applicable, the Contractor shall fully indemnify, defend and hold harmless the City, and its commissioners, agents, employees and assigns from any demands, claims, suits, actions, judgments, damages, fines, fees, taxes, assessments, penalties, losses, expenses, costs of every type and description, and reasonable attorneys' fees (at both trial and appellate level), arising from or relating to violation or infringement of a trademark, copyright, patent, trade secret or intellectual property right; provided, however, that the foregoing obligation shall not apply to the misuse or modification of the Contractor's products by the City or any of its commissioners, agents, employees, and assigns, or to the operation or use of the Contractor's products by the City or any of its commissioners, agents, employees, and assigns in a manner not contemplated by this Agreement.

In the event of a claim, the City shall promptly notify the Contractor in writing by prepaid certified mail (return receipt requested), or by delivery through any nationally recognized courier service (such as Federal Express or UPS) which provides evidence of delivery, at the address provided in Section 17. Notification may also be provided by fax transmission to the number provided in Section 17, if provided.

The City shall provide all available information and assistance that the Contractor may reasonably require regarding any claim. This agreement for indemnification shall survive termination or completion of this Agreement. The insurance coverage and limits required in this Agreement may or may not be adequate to protect the City and such insurance coverage shall not be deemed a limitation on the Contractor's liability under the indemnity provided in this section. In any proceedings between the parties arising out of or related to this Indemnity provision, the prevailing party shall be reimbursed all costs, expenses and reasonable attorney fees through all proceedings (at both trial and appellate levels).

Nothing in this Agreement shall be deemed to affect the rights, privileges and immunities of the City as set forth in Florida Statutes Section 768.28.
