

Affiliation Agreement

Between

Sarasota County Schools

&

The City of North Port

Benefits for North Port Fire Rescue

- ❖ Provides North Port Fire Rescue an opportunity to meet, train, and evaluate possible future employees.
- ❖ Provides an additional set of hands for our crews on emergencies during the student ride-along training time.
- ❖ Provides a training and mentoring experience for our Paramedics and EMT's.
- ❖ This agreement dates back 20+ years.

Benefits for the Students

- ❖ Provides an opportunity for North Port residents enrolled in EMT or Paramedic school a local resource where they can perform their clinical skill requirements.
- ❖ Provides an opportunity for students to evaluate North Port Fire Rescue as a future place to be employed as an EMT or Paramedic.
- ❖ Provides students exposure to the state of the art equipment provided by their taxes to North Port Fire Rescue to treat the members of our community.
- ❖ EMT School is now being taught by Suncoast Technical College (STC) at North Port High School and will move to the new STC – North Port Campus when completed.
