

**DEP AGREEMENT NO. LP58022
CITY OF NORTH PORT
AMENDMENT NO. 1**

THIS AGREEMENT as entered into on the 23rd day of September, 2016, between the FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION (hereinafter referred to as the "Department") and the CITY OF NORTH PORT (hereinafter referred to as the "Grantee") is hereby amended.

WHEREAS, the Grantee has requested a revision in the scope of work and a reallocation of the budget for the project; and,

WHEREAS, the Grantee has requested an extension of the Agreement; an extension is needed due to delays in the procurement process; and,

WHEREAS, certain provisions of the Agreement need revision and several provisions need to be added to the Agreement.

NOW, THEREFORE, the parties hereto agree as follows:

1. The Agreement is effective from July 1, 2016, to June 30, 2019.
2. Section 3. of the Agreement is hereby deleted in its entirety and replaced with the following:

FUNDING/CONSIDERATION/INVOICING:

- A. As consideration for the satisfactory completion of services rendered by the Grantee under the terms of this Agreement, the Department shall pay the Grantee on a cost reimbursement basis up to a maximum of \$272,000. It is understood that any additional funds necessary for the completion of this project are the responsibility of the Grantee. The parties hereto understand and agree that this Agreement does not require a match on the part of the Grantee.
- B. Prior written approval from the Department's Grant Manager shall be required for changes to this Agreement.
 - i. A Change Order to this Agreement is required when task timelines within the current authorized Agreement period change, and/or when the cumulative transfer of funds between approved budget categories, as defined in Attachment A, are less than ten percent (10%) of the total budget as last approved by the Department. All Change Orders are subject to the mutual agreement of both parties as evidenced in writing.
 - ii. A formal Amendment to this Agreement is required for changes which cause any of the following: an increase or decrease in the Agreement funding amount, a change in the Grantee's match requirements, a change in the expiration date of the Agreement, and/or changes to the cumulative amount of funding transfers between approved budget categories, as defined in Attachment A, exceeds or is expected to exceed ten percent (10%) of the total budget as last approved by the Department. All Amendments are subject to the mutual agreement of both parties as evidenced in writing.
- C. The Grantee shall be reimbursed on a cost reimbursement basis for all eligible project costs upon the completion, submittal and approval of each deliverable identified in **Attachment A-1**, in accordance with the schedule therein. Reimbursement shall be requested utilizing **Attachment B-1, Payment Request Summary Form**. To be eligible for reimbursement, costs must be in compliance with laws, rules and regulations applicable to expenditures of State funds, including, but not limited to, the Reference Guide for State Expenditures, which can be accessed at the

following web address: http://www.myfloridacfo.com/aadir/reference_guide/. All invoices for amounts due under this Agreement shall be submitted in detail sufficient for a proper pre-audit and post-audit thereof. A final payment request should be submitted to the Department no later than sixty (60) calendar days following the completion date of the Agreement, to assure the availability of funds for payment. All work performed pursuant to **Attachment A** must be performed on or before the completion date of the Agreement, and the subsequent sixty-day period merely allows the Grantee to finalize invoices and backup documentation to support the final payment request.

D. The State Chief Financial Officer requires detailed supporting documentation of all costs under a cost reimbursement agreement. The Grantee shall comply with the minimum requirements set forth in **Attachment C, Contract Payment Requirements**. The Payment Request Summary Form shall be accompanied by supporting documentation and other requirements as follows for each deliverable: Reimbursement shall be limited to the following budget categories:

- i. Contractual (Subcontractors) – Reimbursement requests for payments to subcontractors must be substantiated by copies of invoices with backup documentation identical to that required from the Grantee. Subcontracts which involve payments for direct salaries shall clearly identify the personnel involved, salary rate per hour, and hours spent on the project. All multipliers used (i.e., fringe benefits, overhead, indirect, and/or general and administrative rates) shall be supported by audit. If the Department determines that multipliers charged by any subcontractor exceeded the rates supported by audit, the Grantee shall be required to reimburse such funds to the Department within thirty (30) calendar days of written notification. Interest on the excessive charges shall be calculated based on the prevailing rate used by the State Board of Administration. Subcontracts, which involve equipment purchases as part of an installation/retrofit or that include infrastructure and/or infrastructure improvements, as defined in Florida Chief Financial Officer (CFO) Memorandum No. 5 (2011-2012), must be capitalized in accordance with Chapter 69I-72, Florida Administrative Code (F.A.C.). The Grantee shall be responsible for maintaining appropriate property records for any subcontracts that include the purchase of equipment as part of the delivery of services. The Grantee shall comply with this requirement and ensure its subcontracts issued under this Agreement, if any, impose this requirement, in writing, on its subcontractors.

For fixed-price (vendor) subcontracts, the following provisions shall apply:

- a. The Grantee may award, on a competitive basis, fixed-price subcontracts to consultants/contractors in performing the work described in **Attachment A-1**. Invoices submitted to the Department for fixed-price subcontracted activities shall be supported with a copy of the subcontractor's invoice and a copy of the tabulation form for the competitive procurement process (i.e., Invitation to Bid or Request for Proposals) resulting in the fixed-price subcontract.
- b. The Grantee may request approval from the Department to award a fixed-price subcontract resulting from procurement methods other than those identified in the paragraph above. In this instance, the Grantee shall request the advance written approval from the Department's Grant Manager of the fixed price negotiated by the Grantee. The letter of request shall be supported by a detailed budget and Scope of Services to be performed by the subcontractor. Upon receipt of the Department Grant Manager's approval of the fixed-price amount, the Grantee may proceed in finalizing the fixed-price subcontract.
- c. All subcontracts are subject to the provisions of paragraph 12 and any other appropriate provisions of this Agreement which affect subcontracting activities.

- E. In addition to the invoicing requirements contained in paragraphs 3.C. and D. above, the Department will periodically request proof of a transaction (invoice, payroll register, etc.) to evaluate the appropriateness of costs to the Agreement pursuant to State and Federal guidelines (including cost allocation guidelines), as appropriate. This information, when requested, must be provided within thirty (30) calendar days of such request. The Grantee may also be required to submit a cost allocation plan to the Department in support of its multipliers (overhead, indirect, general administrative costs, and fringe benefits). State guidelines for allowable costs can be found in the Department of Financial Services' Reference Guide for State Expenditures at http://www.myfloridacfo.com/aadir/reference_guide/.
- F. i. The accounting systems for all Grantees must ensure that these funds are not commingled with funds from other agencies. Funds from each agency must be accounted for separately. Grantees are prohibited from commingling funds on either a program-by-program or a project-by-project basis. Funds specifically budgeted and/or received for one project may not be used to support another project. Where a Grantee's, or subrecipient's, accounting system cannot comply with this requirement, the Grantee, or subrecipient, shall establish a system to provide adequate fund accountability for each project it has been awarded.
- ii. If the Department finds that these funds have been commingled, the Department shall have the right to demand a refund, either in whole or in part, of the funds provided to the Grantee under this Agreement for non-compliance with the material terms of this Agreement. The Grantee, upon such written notification from the Department shall refund, and shall forthwith pay to the Department, the amount of money demanded by the Department. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the original payment(s) are received from the Department by the Grantee to the date repayment is made by the Grantee to the Department.
- iii. In the event that the Grantee recovers costs, incurred under this Agreement and reimbursed by the Department, from another source(s), the Grantee shall reimburse the Department for all recovered funds originally provided under this Agreement. Interest on any refund shall be calculated based on the prevailing rate used by the State Board of Administration. Interest shall be calculated from the date(s) the payment(s) are recovered by the Grantee to the date repayment is made to the Department by the Grantee.
3. Section 8. of the Agreement is hereby deleted in its entirety and replaced with the following:

DEFAULT/TERMINATION/FORCE MAJEURE:

- A. Termination for Convenience. The Department may terminate the Agreement in whole or in part by giving 30 days' written notice to the Grantee, when the Department determines, in its sole discretion, that it is in the State's interest to do so. The Department shall notify the Grantee of the termination for convenience with instructions as to the effective date of termination or the specific stage of work at which the Agreement is to be terminated. The Grantee shall not furnish any service or deliverable after it receives the notice of termination, unless otherwise instructed in the notice. The Grantee shall not be entitled to recover any cancellation charges or lost profits. If the Agreement is terminated before performance is completed, the Grantee shall be paid only for that work satisfactorily performed for which costs can be substantiated.
- B. Termination for Cause. The Department may terminate this Agreement if any of the events of default described below occur or in the event that the Grantee fails to fulfill any of its other obligations under this Agreement. The Grantee shall continue work on any portion of the Agreement not terminated. If, after termination, it is determined that the Grantee was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same

as if the termination had been issued for the convenience of the Department. The rights and remedies of the Department in this clause are in addition to any other rights and remedies provided by law or under this Agreement.

- C. Grantee Obligations upon Notice of Termination. After receipt of a notice of termination or partial termination, is directed by the Department, the Grantee shall stop performing services on the date, and to the extent specified, in the notice.
- D. Force Majeure. The Grantee shall not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of the Grantee or its employees or agents contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Grantee's control, or for any of the foregoing that affect subcontractors or suppliers if no alternate source of supply is available to the Grantee. In case of any delay the Grantee believes is excusable, the Grantee shall notify the Department in writing of the delay or potential delay and describe the cause of the delay either (1) within ten days after the cause that creates or will create the delay first arose, if the Grantee could reasonably foresee that a delay could occur as a result; or (2) if delay is not reasonably foreseeable, within five days after the date the Grantee first had reason to believe that a delay could result. **THE FOREGOING SHALL CONSTITUTE THE GRANTEE'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY.** Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. No claim for damages, other than for an extension of time, shall be asserted against the Department. The Grantee shall not be entitled to an increase in the Agreement price or payment of any kind from the Department for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist the Grantee shall perform at no increased cost, unless the Department determines, in its sole discretion, that the delay will significantly impair the value of the Agreement to the Department, in which case the Department may (1) accept allocated performance or deliveries from the Grantee, provided that the Grantee grants preferential treatment to Department with respect to products subjected to allocation; (2) contract with other sources (without recourse to and by the Grantee for the related costs and expenses) to replace all or part of the products or services that are the subject of the delay, which purchases may be deducted from the Agreement quantity; or (3) terminate the Agreement in whole or in part.

4. Section 18. of the Agreement is hereby deleted in its entirety and replaced with the following:

INSURANCE:

- A. Required Coverage. At all times during the Agreement the Grantee, at its sole expense, shall maintain insurance coverage of such types and with such terms and limits described below. The limits of coverage under each policy maintained by the Grantee shall not be interpreted as limiting the Grantee's liability and obligations under the Agreement. All insurance policies shall be through insurers licensed and authorized to issue policies in Florida, or alternatively, Grantee may provide coverage through a self-insurance program established and operating under the laws of Florida. Additional insurance requirements for this Agreement may be required elsewhere in this Agreement, however the minimum insurance requirements applicable to this Agreement are:

Such policies shall cover all employees engaged in any work under the Agreement.

Vehicles, if applicable

Sub-grantees and/or subcontractors must provide proof of insurance upon request.

C. Exceptions to Additional Insured Requirements. If the Grantee's insurance is provided through an insurance trust, the Grantee shall instead add the Department of Environmental Protection, its employees, and officers as an additional covered party everywhere the Agreement requires them to be added as an additional insured. Further, notwithstanding the requirements above, if Grantee is self-insured, then the Department of Environmental Protection, its employees, and officers do not need to be listed as additional insureds.

D. Deductibles. The Department shall be exempt from, and in no way liable for, any sums of money representing a deductible in any insurance policy. The payment of such deductible shall be the sole responsibility of the Grantee providing such insurance.

In the event that any applicable coverage is cancelled by the insurer for any reason, the Grantee shall immediately notify the Department of such cancellation and shall obtain adequate replacement coverage conforming to the requirements herein and provide proof of such replacement coverage within ten (10) calendar days after the cancellation of coverage.

SCRUTINIZED COMPANIES:

Grantee certifies that it and any of its affiliates are not scrutinized companies as identified in Section 287.135, F.S. As provided in Subsection 287.135(8), F.S., if federal law ceases to authorize these contracting prohibitions then they shall become inoperative.

REVISED GRANT WORK PLAN**

PROJECT TITLE: North Port Lift Station Rehabilitation

PROJECT LOCATION: The Project will be located in multiple locations within the City of North Port (Grantee) in Sarasota County, Florida, as well as within unincorporated Sarasota County adjacent to the City of North Port. Project coordinates are latitude 27° 2'65N and longitude 82° 14'15W.

PROJECT BACKGROUND: The Grantee prioritized 13 out of 99 lift stations for rehabilitation. Over time, the piping and fittings within the lift stations deteriorated due to the corrosive environment in the wet-well (e.g. hydrogen sulfide gas). Some of the lift stations are aging infrastructure that was built in the 1950's. The lift stations were prioritized for rehabilitation based on the following criteria: a) if lift station has experienced piping failure and has temporary pipe repair clamp(s) installed to maintain operations in the interim; and/or, b) if the lift station electrical panel needs upgrading to current electrical codes; and/or, c) if lift station needs replacement of an antiquated alarm system with newer technology Supervisory Control and Data Acquisition (SCADA) system.

PROJECT DESCRIPTION: The Grantee will rehabilitate and upgrade up to thirteen (13) lift stations in the Grantee's wastewater collection system. Select lift stations are scheduled for, piping replacement and/or electrical panel upgrade, and/or for SCADA remote monitoring capability. Piping replacement includes changing the existing corroded ductile iron pipe to corrosion resistant high density polyethylene (HDPE) pipe. The piping and fittings configurations will also be modified to bring new fittings above ground level, out of the corrosive wet-well environment.

Task 1: Construction

Task Description: The Grantee will construct the rehabilitation and upgrades for up to thirteen (13) lift stations in the Grantee's wastewater collection system in accordance with the construction contract documents.

Deliverables: Construction completed to date as described in this task, as evidenced by these deliverables: 1) Dated color photographs of on-going work representing the time period covered in the payment request; 2) signed acceptance and brief description of the completed work to date by the Grantee; 3) written verification that the Grantee has received record drawings and any required final inspection report(s) for the project (as applicable); and 4) signed statement from a Florida Licensed Professional Engineer indicating construction has been completed in accordance with the construction contract documents (as applicable).

Performance Standard: The Department's Grant Manager will review the deliverables to verify that they meet the specifications in the Grant Work Plan and this task description.

Payment Request Schedule: The deliverables must be submitted and accepted prior to each payment request and may be submitted no more frequently than monthly.

PROJECT TIMELINE & BUDGET DETAIL: The tasks must be completed by, and all deliverables received by, the corresponding task end date.

Task No.	Task Title	Budget Category	Budget Amount	Task Start Date	Task End Date
1	Construction	Contractual Services	\$272,000	7/1/2016	12/31/2018
Total:			\$272,000		

Note that, per paragraph 4 of the agreement, authorization for continuation and completion of work and any associated payments may be rescinded, with proper notice, at the discretion of the Department if the Legislature reduces or eliminates appropriations. Extending the contract end date carries the risk that funds for this project may become unavailable in the future. This should be a consideration for the Grantee with this and future requests for extension.
