DEPARTMENT/DIVISION Police / Administration NAME OF REQUESTOR Jennifer Ayres

*Sections 2-407 of the City of North Port Procurement Code states a Sole/Single source purchase is defined as a non-competitive purchase of supplies, equipment and contractual services that is either: the only item that will produce the desired results; or is available from only one source of supply who possesses the unique and singularly available capability to meet the requirement of the solicitation (such as technical qualifications, ability to deliver at a particular time, or services from a public utility). Sole Source services must be available only from vendors (firms or individuals) who are uniquely qualified to perform such services. All Sole/Single source requests will be posted on DemandStar & the City's Purchasing site for seven (7) calendar days.*

E. Attach documentation from the manufacturer certifying the vendor selected is the only distributor/dealer/contractor for the products or services in question and/or holds the production, unique capability, copyrights, trademark, and/or patent to the item, and check the following applicable statements:

- ☐ Patent, copyright or unique design restrictions **(Sole Source)** \*Attach verification from Manufacturer\*
- ☐ Proprietary rights in technical data and/or product formulations (e.g. cleaning compounds, lubricating oils, paint, etc.), which can only be determined through extensive laboratory analysis and examination **(Sole Source)** \*Attach verification from Manufacturer\*
- ☐ Only producer, such as utility supplier or construction material supplier, that will meet the specialized needs of the department or perform the intended function **(Sole Source)** \*Attach verification from Manufacturer\*
- ☐ Direct replacement parts, equipment or supplies that must be compatible with original equipment already installed but available only from the original equipment manufacturer. Most manufacturers have more than one dealer or distributor for their products. When this is the case, competition between dealers and/or distributors may be possible, eliminating the "sole or single source" restriction **(Single Source)** \*Attach verification from Manufacturer\*
- ☐ When tests and/or demonstrations of equipment, supplies, part, etc. under actual operating conditions reveal superior quality, performance, design or other characteristics in a product(s), which is available from only one source. Testing must be performed as often as practical **(Single Source)** \*Attach verification from Manufacturer\*
- ☒ Maintenance, repair services or warranty which require specialized test equipment, procedures, and technical expertise available only from the original equipment manufacturer or authorized/licensed dealer/field service representative **(Single Source)** \*Attach verification from Manufacturer\*
- ☐ The part(s)/equipment are required to permit standardization **(Standardization)**  
\*Must provide justification. For brand-specific items, quotes should still be obtained\*
- ☐ Other: None or some of the above apply. \*Detailed explanation and justification for this sole/single source request must be attached to this form\*
