Dear Monica,

This letter is to confirm that Tampa Crane and body is the sole source provider for Curotto Can sales, part, service and warranty for the central Florida area including North Port, FL. With the Curotto Can as a member of the ESG family, the City of North Port, FL will receive superior service after the sell through Heil's dealer network. Having a local dealer at your disposal will make servicing you, the end user, a lot faster and easier.

Thank you for your interest in Curotto Can and Heil.

If you have any questions, please call me at 256-613-1486 or contact your local dealer.
