PART I – GENERAL INSTRUCTIONS**1. PURPOSE:**

It is the intent of the City of North Port, Florida, to request proposals from professional engineering firms to design, permit, and provide bidding and construction certification services for a 12-inch transmission main on San Mateo Drive from Price Boulevard to Hillsborough Boulevard, approximately 16,000 linear feet. The project will be constructed in one phase and is scheduled to begin right after the design, permit and bidding phases are completed.

The sections that run along the side streets range in pipe size from 6”, 8” and 10”. In order to increase its transmission capacity and improve water quality, NPU has a project in its capital budget to design, permit, bid and construct approximately 16,000 linear feet of 12” water main along San Mateo Drive. The proposed water main will connect to the existing 16” water main along Price Boulevard and to the existing 12” water main along Hillsborough Boulevard.
