Good Afternoon,

Florida Department of Management Services is in the process of renewing the current Computer Equipment No. 43211500-WSCA-15-ACS based off of NASPO's Computer Equipment, Peripherals & Related Services 2015-2020.

We are awaiting the lead State Minnesota to finish the extension with the some of the existing vendors, but the intention is to fully execute extensions within the next two weeks.

Thank you,

Stephanie Wyland | Associate Category Manager
