The Applicant has heretofore submitted to the City, a pattern book that includes design guidelines that dictate urban form and architectural controls for non-residential development in the Town Center. The pattern book also addresses the urban form for the City of North Port's civic development in the northeast quadrant of Price and Sumter Boulevard. The City has adopted the pattern book.

The Applicant has completed the grocery store located in the southwest quadrant of Price and Sumter. This store has adhered to the design guidelines set forth in the Heron Creek Pattern Book.

shell, the City shall be responsible for providing funding above the Applicant's contribution as described above.
