Dear Janet:

Thank you for your dedication and commitment to Season of Sharing! As one of the Community Foundation's ten fiscal agencies, your support to process Season of Sharing requests on behalf of partner nonprofit's clients as well as your own clients is greatly appreciated.

One of Season of Sharing's hallmarks is that every penny donated goes directly to assist those in need. While donors are inspired to assist vulnerable families and individuals in our community who need the "life line" Season of Sharing provides, many also support the annual campaign because 100% of the funds go directly to those in need.

We recognize there are administrative costs to handle the requests of your fellow nonprofit partners in addition to your clients. The enclosed grant from CFSC funds is a way to thank you for handling the many requests from your partner nonprofits, as well as to offset costs associated with your internal clients.

Season of Sharing funds were not used to fund these grants. The one time grants were approved by the Community Foundation of Sarasota County's Board of Directors to thank you for your assistance.

Season of Sharing is an amazing collaborative effort by our nonprofit community, media partners and thousands of donors which demonstrates our community's caring heart and spirit for those on the verge of homeless. Distributing Season of Sharing funds efficiently and effectively to you and your fellow fiscal agents allows for an elegantly simple distribution method for the \$2 million plus raised annually by our generous community.

Thank you for being the one to make a difference by stepping up and providing the invaluable service of helping out your fellow nonprofit partners.

With gratitude,

 *Roxanne G. Jerde*
