Pete, please see the below proclamation request that came in yesterday regarding drug-free environment. The City did do the Proclamation last year. Considering we are beyond the timeframe for the 10/5 meeting, what are your thoughts as far adding it to the 10/10 or 10/24 meeting.

Subject: Red Ribbon Proclamation

Dear Honorable Mayor Yates,

My name is Michael Manley. I am 11 years old and in 6th grade. I belong to the Atlantic Coast Young Marines and have the title Corporal. The Atlantic Coast Young Marines are extremely active in educating the communities in Florida, young and old, about the dangers of drugs, alcohol and tobacco. We request proclamations from Mayors and Governors to show the public how many people that we look up to stand with us. I was hoping that you would be willing to join us and grant the Atlantic Coast Young Marines a Proclamation for Red Ribbon Week. The Atlantic Coast Young Marines would be so happy to have your support. You would be proud to see how many adults, and children, that we were able to educate on the dangers of drugs, alcohol, and tobacco last year. It was an amazing feeling to be able to show different communities how many governors, mayors & political leaders stood with us for such a great cause. Even if every year we help only one person, that's one person more that will have a chance at a healthy and long life. You would definitely help us make a difference! We are hoping that you will be willing to help support us. The Atlantic Coast Young Marines would be honored if you would issue us a Red Ribbon Proclamation for October 23-31st 2017.

The sample proclamation is attached for your review. Also, if you can mail the proclamation, it would be great if you could mail it to my Unit Commander's address. Commander Kimberly Gibbons address is:

Attn: Commander Kimberly Gibbons
Atlantic Coast Young Marines

Callahan, Florida 32011

Thank you in advance for your time and help. Also, thank you for believing in such a great cause. The Atlantic Coast Young Marines really appreciate it & promise to make you proud.

Sincerely,
YM CPL Michael Manley
