Community, and Public Advisory Board

2017 Projects

PUAB in the Community

2018 Goals

Even greater
input,
support, and
participation
in Utilities
outreach
programs

- Help develop and be engaged in community outreach programs to further increase community understanding of Utilities matters, environmental stewardship, community water responsibility, and public water education.

Remain
informed,
involved, and
offer diverse
perspective
on Utility
programs and
projects

- Water Sources And Quality
- Service Expansions
- Looping Of Water Lines
- Water Conservation And Outreach
- Infrastructure Repair And Replacement
- Cost Efficiency

**THANK YOU FOR YOUR
PAST, PRESENT, AND
FUTURE SUPPORT**
