Chief,

Based upon our conversation, I agree with you that the use of forfeiture funds would not be a permissible use to replace expiring SWAT vests. This is due to the nature of the vests, which are a recurring cost that occurs on a regular schedule. It is my opinion that the purchase of these vests is a normal operating expense of the PD and not something that is beyond what is usual, normal, regular, or established.

Thank you,

Michael Golen, CPM
