**Subject:** DROP Application Aaron R. Nick

This is a written request to rescind the previously submitted DROP application from 11/20/19 that had been scheduled to go in effect on/after 02/06/20. On 03/18/20, I was informed without any prior consultation from the City that a check had been paid out for the balance of accrued benefits. This decision made without my consultation would adversely effect me in use of pre-approved vacation time and added pensionable amounts. Despite a lengthy phone conference call between all parties there remained some misunderstandings and/or miscommunication. Based on these facts along with atypical DROP protocols on the part of the City, I'm requesting that my original application to enter the DROP program be rescinded. The application can be resubmitted at a later time to allowing the parties to meet, discuss and agree to the amended terms, dates and benefit option allocations. Thank you, for your consideration.
