TO: Honorable Mayor & Members of the North Port Commission

FROM: A. Jerome Fletcher II, ICMA-CM, MPA, City Manager

TITLE: Approve Multi-Award Continuing Services Agreement Numbers: 2023-38.001, 2023-38.002, 2023-38.003, 2023-38.004, 2023-38.005, 2023-38.006, and 2023-38.007 between the City of North Port and AIM Engineering & Surveying, Inc., Bowman Consulting Group, Ltd., Inc., Dewberry Engineers Inc., DRMP, Inc., ESP Associates FL, Inc., George F. Young, Inc., and Hyatt Survey Services, Inc. for Professional Surveying Services Continuing Contracts for City of North Port and Authorize the City Manager to Approve Future Renewals of Agreements.

Recommended Action

Approve multi-award continuing services agreement numbers 2023-38.001, 2023-38.002, 2023-38.003, 2023-38.004, 2023-38.005, 2023-38.006, and 2023-38.007 between the City of North Port and AIM Engineering & Surveying, Inc., Bowman Consulting Group, Ltd., Inc., Dewberry Engineers Inc., DRMP, Inc., ESP Associates FL, Inc., George F. Young, Inc., and Hyatt Survey Services, Inc. for Professional Surveying Services Continuing Contracts for City of North Port and authorize the City Manager to approve future renewals of agreements.

Background Information

The City has a need for regular surveying services to support a variety of activities such as line and grade layout for roadway and property drainage, boundary and topographic surveys, mapping, construction staking, location surveys, survey data collection, and other services relating to professional surveying services. To procure these services, the City advertised Request for Proposals (RFP) 2023-38 Professional Surveying Services Continuing Contracts for City of North Port. The City received seven (7) responses. The firms were evaluated and ranked by a selection committee, and all seven (7) firms were deemed qualified to provide the surveying services that are required by the City. Services included within this agreement will be available to all City departments as needed.

Florida Statute §287.055(2)(g) defines a continuing contract as a contract whereby a firm provides professional services to an agency for construction projects with an estimated construction cost of less than \$4 million per assignment, study activities for contract amounts less than \$500,000 per assignment, or for work of a specified nature as outlined in the contract required by the agency. Per statute, firms providing services under continuing contracts shall not be required to bid against one another. The City Manager shall approve work assignments per the terms of Agreement No. 2023-38. All work assignments \$100,000 or over will be approved by Commission.

The standard continuing contract format used for Agreement No. 2023-38 has been reviewed by the City Attorney and is legally correct as to form.

Strategic Plan

Infrastructure & Facilities Integrity

Financial Impact

The agreements may be used for other City departments as needed but will primarily be used by Road and Drainage District, account number 107-5000-541.31-11.

Procurement

The engineering and design services were procured under Sec. 2-406 of the City Procurement Code - Professional services selection under Consultants' Competitive Negotiation Act (CCNA), F.S. § 287.055.
