TITLE: Application and acceptance of the 2019 Bulletproof Vest Grant for replacement Body Armor for Police Officers in the amount of \$16,515 if awarded.

Recommended Action

Approve the application and acceptance of the 2019 Bulletproof Vest Grant for Body Armor for Police Officers in the amount of \$16,515 if awarded.

Background Information

The United States Department of Justice (USDOJ) offers a grant annually for replacement body armor for Police Officers. Funding decisions and notifications are made by email no later than September 30, 2019. The program requires a 50% match of the cost of the body armor, which is currently \$734 each.

Body armor expires five (5) years after the manufacture date. The USDOJ has requested the amount of vests requested be for two years of replacements, employee turnover, and anticipated new positions. The request is for forty-five (45) vests with a total estimated cost of \$33,030. If the grant is awarded fully, the USDOJ award would be \$16,515.

Although there is no guarantee, the North Port Police Department has received this grant for over fifteen (15) years and is normally awarded the full amount requested. The USDOJ can make an award in a lower amount.

Strategic Plan

Maintain the adopted level of health and public safety services.

Financial Impact

If awarded, the grant amount will be \$16,515 over a two (2) year period and has partially been placed in the 2019/2020 budget as a Revenue to the General Fund with a corresponding expenditure. The remainder of the revenue would go

into the 2020/2021 budget.
