Background Information

The City of North Port Utilities Department seeks to acquire property identified as Parcel Identification No. 0995-18-1705 located on Denargo Road to support the City’s wastewater collection system. The right side of the parcel has been utilized to access lift station 29, which lies within the drainage right of way behind the property. The acquisition of this parcel will provide permanent access to this lift station for maintenance and repair needs.

Through the City’s Real Estate Consultant, an Appraisal Report was obtained with the property showing a simple market value of \$33,000. The seller has agreed to sell the property for \$32,500, which was the listing price. The current owner will pay any outstanding taxes on real property at closing.
