### **Background Information**

This past July the Sky Family YMCA acquired the Charlotte County Family YMCA which included the North Port Pre-School on Sam Shapos Way. Since the acquisition enrollment has doubled currently serving 67 infant through five year olds. The building is in very poor condition and not conducive to providing a quality experience for the young families of North Port that entrust their children in our care. We would like the opportunity to discuss partnering with the City of North Port to provide a first rate care and learning environment for these children and families.
