Recommended Action

Proclamation "National Garbage Man Week" in the City of North Port Florida, June 17, 2018, through June 23, 2018, to be accepted by Frank Lama, Solid Waste Manager

Background Information

Through performing their jobs day in and day out with excellence, "Garbage Men and Women" keep our local communities and the world at large safe and clean. Many people may not realize the enormous environmental impacts of recycling programs or how their local sanitation is positively impacting the world's environment. Sanitation workers are "Keeping You and the Environment Safe" capturing the true mission of these individuals.

It is fitting that we recognize and honor the continuing contributions of our "Garbage Men and Women" by observing the "National Garbage Man Week" June 17, 2018, through June 23, 2018.
