Dear Mr. Lewis:

On behalf of the City of North Port, please accept this letter of support for Sarasota County to lead efforts for our metropolitan area and submit a Notice of Intent to Participate in the Climate Pollution Reduction Grant (CPRG) program.

We look forward to partnering with Sarasota County to collaboratively plan for the most effective and impactful air pollution and greenhouse gas reduction strategies to support environmental and health benefits for our region. The opportunity to then apply for implementation grant funds through this program will help advance our region's environmental and economic goals.
