R015737-050825	5/8/2025	Christopher VanUs	cvanus@coralcreekclub.com	I would like to request the MAS for the Kenvil Apartments. Basically, I am trying to get their master plan documents to view the requirements for their construction and their parking lot hedges that they are supposed to have. I've been dealing with having headlights in our house ever since they built the apartments because I believe they did not build up a berm or have thick enough nor high enough bushes to block headlights. R014608-120924	12/9/2024	David Smith	bogeycat@hotmail.com	City of North Port, I submitted a request last week for Construction drawing pertaining to the Central Parc Development. I received back 12 PDFs with multiple files in each, they seem to be the ones from the Central Parc link available on line here. However none of the files I received are what I am requesting. I am looking for the Specific Paving Grading and Drainage Plans for Central Park. The Plan # is C5. The Plans I am looking for are these 4 sheets or the entire package. My interest however is for Sheets C5.09, C5.10, C5.13 & C5.14. Those pertain to my Street Kingsley road in Country Club Estates adjacent to the new Central Parc development. I currently have a copy of sheet C5.14, so I know they exist. Any help with this second request would be greatly appreciated. Thank you! Please send all documents electronically. I am a citizen of the United States and affirm my full name and contact information is true and correct. I have not been convicted of any indictable offense under the laws of any state whatsoever nor the United States. I, or another person, will use the requested government records for a commercial purpose. I am not seeking records in connection with a legal proceeding. Please respond to this unique email address as it helps me organize my records. Should you need it, my address is 151 Rt. 33 East, Suite 206, Manalapan, NJ 07726 and my phone number is (848) 444-9691. For any compliance matters or other questions *not related* to the responsive record, please email our general counsel at legal@govrecordrequest.com. Please do not send responsive records to that address. For purposes of common law access, my public interest justification is as follows: - Bid tabulations obtained through this request are made publicly available at no cost. This ensures that taxpayers, businesses, journalists, and policymakers have free access to procurement data that impacts public funds. - Transparency and accountability: Publicly available bid results help prevent overpricing, bid-rigging, and favoritism in public contracts. - Support for small businesses: Many firms, especially small and minority-owned businesses, rely on bid history to compete fairly in government contracting. - Cost savings for taxpayers: Open access to bid tabulations promotes competition, leading to more cost-effective government spending. R015242-021925	2/19/2025	Project Manager Cody Akers	cakers@paradiseventuresinc.com	Hello - Thank you greatly for providing the documents. I do see one civil utility plan sheet that shows the fire line connection to the Car Wash. However, I only saw the Fire Plans for the C-Store and not the Car Wash. Is there any chance that Fire Plans are associated with Record 19-00007130? This permit is specifically for the Car Wash portion of this 7-Eleven development. We are interested primarily in the Car Wash as we are building a 7-11 down the street which needs to have a similar fire line design as this store has. Please advise if possible to pull the permitted Fire Plans for the Car Wash building. Thanks!	2/19/2025	No Records Exist

R014300-112024	11/20/2024	Anna Jean Altamera	aaltamera@codingallstars.com	<p>Dear North Port City Clerk, I hope this message finds you well. Under the Florida Public Records Act (Chapter 119, Florida Statutes), I am respectfully requesting access to certain public records related to the election results from your office. Thus far, the reporting from your office on the Nov 5, 2024 presidential election has not included data on unqualified write-in votes, which is why I am making this request. Further, I understand that the results thus far may merely be preliminary and subject to change, which is perfectly acceptable. Specifically, I am seeking official summary or cumulative results for the November 5, 2024 Presidential Election, including detailed counts of:</p> <ul style="list-style-type: none"> * Unqualified write-in votes (also known as unassigned write-ins or rejected write-ins) * Qualified write-in votes * Undervotes * Overvotes <p>For clarification: Unqualified write-in votes, also referred to as unassigned write-ins or rejected write-ins, are votes cast for write-in candidates who did not meet the qualification requirements and thus are not counted toward any candidate but are recorded as such. Qualified write-in votes refer to votes cast for write-in candidates who have met all the necessary qualifications and filing requirements to have their votes officially counted. Undervotes are instances where a voter did not select a candidate for a particular race. Overvotes are instances where a voter selected more candidates than allowed for a particular race. Level of Detail Required & Scope * I am completely flexible on how the data is segmented. The data can simply be totals that encompass your entire jurisdiction which is preferable. Alternatively it can also be broken down by precinct, or broken down some other way. Any approach to data segmentation is acceptable. I am only requesting data for the Nov 5, 2024 Presidential Election. I do not need data for other contests. I do not need the names that were written in on the write-in votes. I simply need the total number of votes. I am aware that the election results may not have been certified and are subject to change. If possible, please affix your agencies letterhead to the top of the document with the results. But if that is difficult or time consuming then don't worry about it. Format and Delivery: * I am able to accept the record(s) in any electronic format that is most convenient for you, including PDF, DOC, DOCX, CSV, TXT, or otherwise. Please attach them to your email and send electronically via email. Fees: * If there are any fees associated with processing this request that are greater than \$5, please inform me of the estimated cost before proceeding. Additional Information: * If any part of this request is unclear or if you need further details to locate the records, please let me know, and I will provide additional clarification promptly. If any of the above requested data is not available, please provide the report including the data that is available. If you only have preliminary (non-finalized) data, then that's perfectly acceptable, please send that. * If you require my phone number, name, or address to process this request then you can find it at the bottom of this email. Thank you very much for your time and assistance in this matter. Your help is greatly appreciated, and I look forward to your response. R014583-120524	12/5/2024	Megan Fox	MeganFox.writer@protonmail.com	To the public information officer, This is a public records request for non commercial purposes by a member of the media to be returned electronically to this email address within the legally prescribed time limits instituted by the state of Florida. On background, I am working on a story regarding former residents of Northport who were reportedly active in local government and upon information and belief may have run or served for or on a public board. John Cook and Lynette Michelle Lacy Alexis Preston. Mr. Cook was recently deposed in a legal action where he referenced someone in Northport named "Crazy Connie" who he alleged to have "run out of" townhall or local politics. 1. Please provide any email communications sent to any Northport government email address between the period of 2018 and 2010 from John Cook or Lynette Michelle Lacy Alexis Preston who may go by several names including but not limited to "Michelle Preston, Lynette Preston, Alexis Preston, Lacy Preston." If any communication from either of them comes up previously to 2010 I would like that also. 2. Upon information and belief, the mayor from that time period may have received some of those communications so please provide those if they exist In an effort to streamline the search and not be overburdensome as this request is not meant to bog down or cause undue burden to the city, If the information officer could help me to narrow the search to decrease the time or effort it will take to find this information, I'm happy to accept guidance. To further that goal I'm trying to identify who "Connie" might be in order to interview her about her experience with this couple and to uncover what occurred between both of them and the city.
