ORDINANCE NO.: 2026-15

AN ORDINANCE AMENDING HERNANDO COUNTY CODE TO IMPOSE A MORATORIUM ON THE PROCESSING OF APPLICATIONS FOR DEVELOPMENT ORDERS AND DEVELOPMENT PERMITS FOR DATA CENTERS FOR A PERIOD OF 365 DAYS, UNLESS EXTENDED OR TERMINATED; ENACTING A TEMPORARY MORATORIUM ON DATA CENTERS; PROVIDING FOR SEVERABILITY; PROVIDING FOR INCLUSION IN THE CODE; PROVIDING FOR THE REPEAL OF CONFLICTING PROVISIONS; AND PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, Hernando County (the "County"), as provided in Fla. Const. Article VIII, Section 1(f), and Fla. Stat. Chapters 125, 162, 163, 177 and 380, possesses police power, land development and zoning authority, and the governmental and proprietary powers necessary to conduct county government and perform county functions, and the County may exercise any power for county purposes, except as expressly prohibited by law; and,

WHEREAS, Fla. Stat. § 163.3174 requires the Board, in its capacity as the County's local planning agency, to monitor and oversee the effectiveness and status of the County's adopted comprehensive plan and recommend to the governing body such changes in the comprehensive plan as may from time to time be required; and,

1 WHEREAS, Fla. Stat. §§ 163.3201, 163.3202, 163.3211 and 163.3213 empower and require
2 the Board of County Commissioners of Hernando County, Florida (the "Board"), to enact
3 comprehensive plans and then adopt land development regulations that implement said plans; and,

4 WHEREAS, Hernando County has enacted land development regulations in the interest of
5 the health, safety and welfare of its citizens, visitors and business residents; and,

6 WHEREAS, Florida is experiencing a sudden increase in development pressure from the
7 construction of new data centers; and,

8 WHEREAS, data centers are a rapidly growing and evolving land use that typically require
9 substantial electricity and water usage for cooling and related operations, often generate a significant
10 amount of noise, and can take up a very large amount of land; and,

11 WHEREAS, because this development pressure was unanticipated, existing ordinances and
12 development standards do not adequately address the unique infrastructure demands, impacts to
13 neighboring property owners, and operational characteristics of newer data centers; and,

14 WHEREAS, the potential cumulative impacts of data centers on the County's water and
15 wastewater systems, groundwater resources, wastewater infrastructure, and electrical grid are not
16 yet fully understood; and,

17 WHEREAS, the Board finds that allowing the establishment or expansion of data centers
18 without the presence of use-specific regulations could pose risks to water availability, wastewater
19 system performance, electrical grid resilience, quality of life, and the long-term interests of the
20 community; and,

1 WHEREAS, the County is not an “impacted local government” as that term is defined by
2 Fla. Stat. § 25.422; and,

3 WHEREAS, a temporary moratorium on the processing of applications for development
4 orders for data centers will provide the County with the necessary time to study these issues, consult
5 with experts, evaluate infrastructure capacity, consider appropriate regulations, and develop
6 standards to mitigate potential adverse impacts; and,

7 WHEREAS, the Florida Legislature has enacted a new law, Chapter 2026-65, Laws of
8 Florida, that, effective July 1, 2026, will provide for the local and regional regulation of data centers
9 through the zoning and comprehensive planning processes; and,

10 WHEREAS, the imposition of a 365-day, temporary moratorium, with certain exemptions,
11 on the acceptance, processing and/or consideration of any petition, application or request for
12 development order, of any type, including but not limited to a zoning change or comprehensive plan
13 amendment, related to data centers will allow the necessary time to research, review, study and
14 prepare the appropriate regulations for the County; and,

15 WHEREAS, after conducting the requisite public hearings, the Board finds that such a
16 temporary moratorium is consistent with Hernando County’s Comprehensive Plan, serves a
17 legitimate public purpose, is reasonable in time and is in the best interest of the health, safety and
18 welfare of the citizens, visitors and business residents of Hernando County.

19 NOW, THEREFORE, BE IT ORDAINED BY THE BOARD OF COUNTY
20 COMMISSIONERS OF HERNANDO COUNTY:

1 **Section 1. Incorporation of Recitals.** The above-delineated recitals are incorporated into
2 this ordinance as the Board of County Commissioners' findings of fact as if they were fully set forth
3 herein.

4 **Section 2. Enacting a Temporary Moratorium on Data Centers.** A new Hernando County
5 Code, Appendix A, Article V, § 11, to be entitled “Temporary Moratorium on Data Centers,” is
6 hereby enacted to read as follows:

7 Temporary Moratorium on Data Centers.

8 A. Purpose. The purpose of this Ordinance is to enable Hernando County to have
9 sufficient time to review, study, hold public hearings, and prepare and adopt an
10 amendment or amendments to the Hernando County Comprehensive Plan and/or
11 Code of Ordinances, relating to permitting new data centers, if any, and any related
12 land use standards. During this up to 12 month time period, Hernando County will
13 not accept or process applications for preliminary development plans of data centers,
14 or issue preliminary development plan approvals for data centers that have the effect
15 of permitting development of parcels as data centers, except as provided in this
16 ordinance. This temporary moratorium does not have the effect of prohibiting the
17 issuance of building or construction permits for any developments that received final
18 development plan approval for a data center before or during the duration of this
19 temporary moratorium.

20 B. Definitions:

1 1. “Common Law Vested Rights” shall have the same meaning as is
2 provided for the phrase in Hernando County Code § 23-240(a), as it may be
3 amended.

4 2. “Data Center” shall have the same meaning as is provided for the
5 phrase in Section 4 of Chapter 2026-65, Laws of Florida, (to be codified on July 1,
6 2026, as Fla. Stat. § 373.203(3)), as it may be amended. For the purposes of this
7 section, the definition of “data center” shall encompass a “large-scale data center,”
8 as that term is defined in Section 4 of Chapter 2026-65, Laws of Florida, (to be
9 codified on July 1, 2026, as Fla. Stat. § 373.203(4)), as it may be amended.

10 3. “Statutory Vested Rights” shall have the same meaning as is provided
11 for the phrase in Hernando County Code § 23-240(a), as it may be amended.

12 C. Declaration of Moratorium. As of the effective date of this ordinance there
13 shall be a moratorium in the unincorporated area of Hernando County on the
14 issuance of development orders or permits for data centers, including but not limited
15 to, the approval or issuance of any comprehensive plan text or future land use map
16 amendment, rezoning, plat or re-plat, conditional use approval, variance, building
17 permit, or other development order/permit that allows for the initiation, construction,
18 expansion, or modification of existing or new data centers.

19 D. Claims of Exemption from the Moratorium. Any person or entity that is
20 aggrieved by a determination by the administrative official that an application for a

1 development order or permit is subject to this moratorium may appeal the
2 administrative official's determination as set forth below:

3 1. If the petitioner claims to have either common law vested rights or
4 statutory vested rights which cannot be affected by revisions to the comprehensive
5 plan or any subsequent rezoning, the petitioner may appeal the administrative
6 official's determination by following the processes set forth in Hernando County
7 Code § 23-240(a), as it may be amended; or,

8 2. If the petitioner claims another legal basis for which they should be
9 deemed exempt from the moratorium, the petitioner may appeal the administrative
10 official's determination by following processes set forth in Hernando County Code,
11 Appendix A, Article V, § 3(F), as it may be amended.

12 E. Duration of Moratorium. This moratorium shall be in effect for three hundred
13 and sixty-five (365) days following the effective date of this ordinance, or until the
14 Board of County Commissioners adopts the legislation called for in Subpart I below,
15 whichever is earlier. This temporary moratorium may also be extended one time for
16 a period not to exceed one hundred twenty (120) additional days, so long as the
17 necessary public hearings are conducted and findings made that the issues giving rise
18 to the need for the temporary moratorium established herein continue to exist and
19 that reasonable progress is being made in the carrying out of a specific and prompt
20 plan for corrective legislative action.

1 F. Prospective Application Only. In order to protect the due process and other
2 constitutional rights of applicants and the general public, any petitions or
3 applications received prior to the effective date of this ordinance shall continue to be
4 processed pursuant to the County's normal procedures.

5 G. Existing Businesses. This temporary moratorium shall not affect any
6 development lawfully constructed within the unincorporated area of the County, as
7 of the effective date of this ordinance, pursuant to valid permits and approvals if the
8 existing development is in compliance with all applicable County, State and Federal
9 laws, codes, ordinances, rules, regulations and policies.

10 H. Alleviation of Hardship

11 (1) The governing body may grant an exception from the temporary
12 moratorium imposed by this ordinance when it finds, based upon substantial
13 competent evidence presented to it in a quasi-judicial hearing, that deferral of action
14 on an application for any of the covered development orders and permits would
15 impose an extraordinary hardship on a landowner or developer.

16 (2) A landowner or a developer, with the written consent of the
17 landowner, shall file a request for an exception based upon extraordinary hardship
18 with the administrative official or designee, along with a fee of \$500.00 to cover
19 processing and advertising costs. The application shall be on a form provided by the
20 Hernando County Department of Development Services and shall, at a minimum,

1 include a recitation of the specific facts that are alleged to support the claim of
2 extraordinary hardship and shall contain such other information as the administrative
3 official shall prescribe as necessary for the governing body to be fully informed with
4 respect to the application.

5 (3) The administrative official or designee shall provide the public with
6 notice of the quasi-judicial hearing in which the governing body will consider an
7 application for an exception in the manner provided for appeals and variances in
8 Hernando County Code Appendix A, Article V, § 3(H), as it may be amended;
9 provided, that notice may be provided pursuant to Hernando County Code § 1-12,
10 as it may be amended, in lieu of a newspaper advertisement.

11 (4) Criteria. The governing body shall consider only the following criteria
12 when considering an application for an exception:

13 (a) The extent to which the party applying for the exception has,
14 prior to the effective date of this ordinance, received Hernando County permits or
15 approvals for the proposed development.

16 (b) The extent to which the party applying for the exception has,
17 prior to the effective date of this ordinance, made a substantial expenditure of money
18 or resources in reliance upon permits or other approvals of Hernando County that are
19 directly associated with physical improvements on the land, such as grading,
20 installation of utility infrastructure, or any other public improvements.

1 (c) Whether the party applying for the exception has, prior to the
2 effective date of this ordinance, contractual commitments in reliance upon permits
3 or other approvals of Hernando County to complete a structure(s).

4 (d) Whether the party applying for the exception has, prior to the
5 effective date of this ordinance, in reliance upon permits or other approvals of
6 Hernando County, incurred financial obligations to a lending institution which,
7 despite a thorough review of alternative solutions, the applicant cannot meet unless
8 development proceeds.

9 (e) Whether the moratorium will expose the party applying for the
10 exception to substantial monetary liability to third persons, or would leave the
11 applicant completely unable, after a thorough review of alternative solutions, to earn
12 a reasonable investment-backed expectation on the property.

13 I. Direction to Develop Data Centers Ordinance. During the period of this
14 moratorium, the Planning Department, in consultation with the relevant County
15 departments, is directed to draft an ordinance providing comprehensive and
16 appropriate regulations of data centers to protect the public health, safety and general
17 welfare of Hernando County's residents, businesses, visitors, and the general public.
18 It is the intention of the Board of County Commissioners to adopt any legislation
19 pertaining to data centers before the expiration of this moratorium. All affected
20 property and business owners are placed on notice with respect to this pending

1 legislation regulations and the action being taken by the appropriate County
2 departments.

3 J. Subjects of Consideration. In preparing a proposed ordinance(s) amending
4 the County's comprehensive plan and/or land development regulations, the Planning
5 Department shall review the possible impacts that these uses may have on the health,
6 safety and general welfare of the residents, businesses, visitors and general public in
7 Hernando County; provided, that any ordinances that are proposed do not contain
8 any provisions that are prohibited by Fla. Stat. § 377.816. The Planning Department
9 and other relevant County Departments shall also consult with other municipalities,
10 experts, stakeholders, and relevant available studies and research pertaining to
11 effective regulation of data centers.

12 K. Penalties. This moratorium may be enforced by the following methods of
13 enforcement:

14 1. Revocation or temporary suspension of development permits,
15 development orders and/or certificates of occupancy and/or licenses; or,

16 2. Enforcement pursuant Hernando County Code, Chapter 2, Article III;
17 or,

18 3. By an action for injunctive relief, civil penalties or both, through a
19 court of competent jurisdiction; or

20 4. By any other process permitted by law or equity.

1 **Section 3. Severability.** It is declared to be the intent of the Board of County
2 Commissioners that if any section, subsection, clause, sentence, phrase, or provision of this
3 ordinance is for any reason held unconstitutional or invalid, the invalidity thereof shall not affect
4 the validity of the remaining portions of this ordinance.

5 **Section 4. Inclusion in the Code.** It is the intention of the Board of County Commissioners
6 of Hernando County, Florida, and it is hereby provided, that the provisions of this Ordinance shall
7 become and be made a part of the Code of Ordinances of Hernando County, Florida. To this end,
8 the sections of this Ordinance may be renumbered or relettered to accomplish such intention, and
9 that the word "ordinance" may be changed to "section," "article," or any other appropriate
10 designation.

11 **Section 5. Conflicting Provisions Repealed.** All ordinances or parts of ordinances in
12 conflict with the provisions of this ordinance are hereby repealed.

13 **Section 6. Effective Date.** This ordinance shall take effect immediately upon receipt of
14 official acknowledgment from the office of the Secretary of State of Florida that this ordinance has
15 been filed with said office.

16 **(The Remainder of this Page Has Been Intentionally Left Blank)**

BE IT ORDAINED BY THE BOARD OF COUNTY COMMISSIONERS OF
HERNANDO COUNTY in Regular Session this 23 day of June, 2026.
