Why do you desire to serve on the above Board/Committee? Please list any relative experience, if applicable.

I am a resident of North Port and am seeking to serve on the Parks & Recreation Advisory Board because I believe public parks, green spaces, and recreation programming are essential to the health, well-being, and quality of life of our community. My professional background is in health, wellness, and movement education. I am an ISSA Certified Personal Trainer, a certified yoga teacher, and dual certified as a Health and Life Coach, with an ongoing commitment to continuing education. My training also includes advanced movement education focused on balance, mobility, foot health, and injury prevention. This experience has given me a practical perspective on creating inclusive, accessible recreation opportunities that support people of all ages and abilities. I also have a strong interest in public service. I previously served as a volunteer officer with the VFW Men's Auxiliary in North Port, an experience rooted in honoring my grandfather's military service and supporting the broader community. Over time, I have felt increasingly drawn to contributing at the local level, where decisions directly affect residents' daily lives. When I learned of this opportunity, it felt like a natural and meaningful way to give back to North Port. I am prepared to attend meetings regularly, review materials in advance, and contribute thoughtful, community-focused input in an advisory capacity.
