- 34. **Electronic Signatures.** Each party agrees that this Agreement and any other documents to be delivered in connection herewith may be electronically signed, and that any electronic signatures appearing on this Agreement or such other documents are the same as handwritten signatures for the purposes of validity, enforceability, and admissibility.
- 35. **Subcontractors**. Supplier shall not subcontract all or substantially all of any facet of the services without the prior written approval of University. Supplier shall be fully responsible for the acts and omissions of its subcontractors and of the persons directly or indirectly employed by them. Every subcontractor shall be bound by the terms of this Agreement; provided, however, that no contractual relationship shall exist between any subcontractor and University, unless evidenced in a separate contract independent of this Agreement with Supplier.
- 36. Unavailability of Funding. Due to possible future reductions in State and/or Federal funds, University cannot guarantee the continued availability of funding of this Agreement notwithstanding the consideration contained within this Agreement. In the event funds to finance this Agreement become unavailable, either in full or in part, due to such reductions, University may terminate the Agreement or reduce the consideration upon notice in writing to Supplier. Said notice shall be delivered by certified mail (return receipt requested) or in person (with proof of delivery). University shall be the final authority as to the availability of funds. The effective date of such Agreement, termination, or reduction in consideration shall be the actual effective date of the elimination or reduction of funding. In the event of a reduction in consideration, Supplier may cancel this Agreement as of the effective date of the proposed reduction upon the provision of advance written notice to University. Supplier shall be entitled to receive just and equitable Page 8

compensation for any satisfactory work performed up to the date of the notice of termination. In the event of unavailability of funding, the University shall not be liable for any penalty, expense, or liability, or for general, special, incidental, consequential, or other damages resulting therefrom.

- 37. **Delivery**. All shipments are to be made F.O.B. destination, freight prepaid, according to the delivery information provided in the applicable purchase order. Supplier shall make no partial deliveries under this Agreement without the University's consent unless otherwise indicated in the applicable purchase order. University may, but shall not be obligated to, inspect Supplier's performance under this Agreement from time to time. University's inspection, or lack of inspection, will not constitute an acceptance of any Deliverable or a waiver of any right or warranty or preclude University from rejecting any defective Deliverable. Supplier will coordinate lead times and delivery dates with the University.
- 38. Flame Resistant Garments. University agrees it bears sole responsibility for selecting the flame resistant clothing and fabrics ("FRC") under this Agreement and determining whether such items are appropriate for use by its employees and agents in their applicable work environment(s), UNIVERSITY ACKNOWLEDGES THAT SUPPLIER HAS MADE NO REPRESENTATION, WARRANTY, OR COVENANT WITH RESPECT TO THE FLAME RESISTANT QUALITIES OR OTHER CHARACTERISTICS OF THE FRC OR WITH RESPECT TO THEIR FITNESS OR SUITABILITY FOR THIS OR ANY OTHER PURPOSE. SUPPLIER MAKES NO REPRESENTATION WHETHER THE FRC CONSTITUTES APPROPRIATE PERSONAL PROTECTIVE EQUIPMENT FOR THE ENVIRONMENT(S) TO WHICH UNIVERSITY'S EMPLOYEES OR AGENTS MAY BE EXPOSED OR AS TO THE FRC'S ABILITY TO PROTECT USERS FROM INJURY OR DEATH. University agrees to notify all employees and other agents of University who may wear or will be wearing the FRC that it is not designed for substantial heat exposure or for use around open flames. University acknowledges that compliance with any and all OSHA or other similar regulations or requirements relating to personal protective equipment is the sole responsibility of University. Further, University releases Supplier from any and all liability to University that results or may result from the use of the FRC, including but not limited to any alleged failure of the FRC to function as flame resistant or provide protection against fire and/or heat. In addition to the foregoing release, disclaimers, and agreements related to FRC, and to the extent permitted by applicable law, each Participating Public Agency hereby agrees to defend, indemnify and hold harmless Supplier from any claims and damages arising out of or associated with the FRC or resulting from the Participating Public Agency's or its employees' use of the FRC.
- 39. **High Visibility Garments.** University bears sole responsibility for: (a) determining the level of visibility needed by wearers of the high visibility garments (the "Garments") for their specific work conditions or uses; (b) identifying and selecting which Garments meet the required level of visibility for any particular work conditions or uses; and (c) determining when Garments require repair or replacement to meet the required level of visibility. University acknowledges and understands that the Garments alone do not ensure visibility of the wearer. University further acknowledges that Supplier is relying upon University to determine whether any Garments need repair or replacement to maintain the required level of visibility. Supplier represents only that the Garments supplied satisfy certain ANSI/ISEA standards to the extent the Garments are so labeled. University acknowledges that Supplier has made no other representations, covenants, or warranties, whether express or implied, related to the Garments. Further, University hereby releases Supplier from any and all liability to University that results or might result from the failure of the garments to function per ANSI/ISEA standards. In addition to the foregoing release, disclaimers, and agreements related to the Garments, and to the extent permitted by applicable law, each Participating Public Agency agrees to defend, indemnify, and hold Supplier harmless from any claims that result or might result from the failure of the Garments to function per ANSI/ISEA standards.
- 40. **AED Warranty; AED Release; AED Release and Indemnification.** University acknowledges that all AED purchases, if any, made will be subject to the warranty provided by the manufacturer of the AED and not Supplier. University acknowledges that Supplier makes no warranty, representation or covenant, express or implied, with respect to the AED products. In addition, Supplier warrants that the services performed by it will be performed in a professional, workmanlike manner and will substantially conform to the specifications of the services at the time of performance.
 - a. As it pertains to University's use of the AEDs, the following shall apply:

University hereby releases Supplier from any and all liability to University that results or might result from the failure of the cleanroom garment to function as intended.
- 42. **Eyewash Services**. The following terms and conditions shall apply to any Self-Contained The Safety Director® Station(s) ("Eyewash Station(s)") and any Eyewash Services (defined below) provided under this Agreement.
 - a. Service: Frequency. Supplier will provide periodic service visits to perform the actions identified in this Section 42.a ("Eyewash Service"). During each Eyewash Service, Supplier shall confirm the following relating to the Eyewash Station: (a) a sign is still present; (b) deployment manifold with both nozzles is in the upright position and both nozzles are covered; (c) water flows continuously from both nozzles; and (d) deployment occurs upon drop of manifold and water continuously flows without use of hands. Supplier shall also drain water from the Eyewash Station and replace the water with University-supplied potable water and add water additive solution. Upon completion of the Eyewash Service, Supplier shall apply a tamper-evident seal, and date and initial the service tag. Each Eyewash Service will be performed quarterly, with each Eyewash Service being completed within 120 days following the prior Eyewash Service. If University performs its own inspection and/or University identifies any concern with the Eyewash Products, University shall contact Supplier during normal business hours and Supplier will respond to University by the first business day following receipt of notice.
 - b. Scope and Limitations of Service. With each Eyewash Station, Supplier shall also provide: one stand; one fluid disposal cart; one eyewash identification sign; and one eyewash mat (together, including the Eyewash Station, the "Eyewash Products") The scope of Supplier's responsibilities under this Agreement is limited to delivering the Eyewash Products and performing Eyewash Services. University acknowledges that the scope of services expressly excludes: performance of a risk or hazard analysis of any kind or type; determining whether the Eyewash Station(s) exists on the same level as a hazard or is accessible within 10 seconds of any given hazard; monitoring the water temperature; providing regulatory guidance; or providing recommendations regarding the type, number, and placement or location of Eyewash Stations at University's facility. University further agrees that Supplier has no responsibility to monitor the condition of the Eyewash Products between Supplier's periodic service visits. University further acknowledges that it bears sole responsibility for ensuring that Eyewash Stations, Eyewash Products, and other eyewash equipment and other equipment at its facility satisfy ANSI, OSHA and all other applicable requirements. University expressly acknowledges that the status of the Eyewash Products can change at any time subsequent to a service visit by Supplier and that Supplier is not responsible or liable for any such change in status, including but not limited to any change in signage.
- 43. **Fire Services**. The following terms and conditions shall apply to any fire protection products and services provided under this Agreement:
 - a. <u>Inspection</u>. Supplier shall not be responsible for the consequences of University's failure to inspect the goods or services or for any defects, malfunctions, inaccuracies, insufficiencies or omissions. Where inspection and/or test services are provided, such inspection and/or test shall be documented on Supplier's then-current form, which shall be given to University, and, where required, Supplier may submit a copy thereof to the local authority having jurisdiction. The report and findings by Supplier ARE ONLY ADVISORY IN NATURE and are intended to assist University in reducing the risk of loss to property by indicating obvious defects or impairments noted to the system and equipment inspected and/or tested. It is University's responsibility to provide the Supplier with all municipal specific documentation and to ensure such municipal specific documentation for device certification is on site and available to Supplier at the time of inspection.

- c. Repair. This Agreement assumes the Systems and related equipment are in operational and maintainable condition as of the Agreement date. If, during the inspection process, Supplier determines that repairs are necessary, Supplier will perform those repairs subject to any applicable Not to Exceed (NTE) Allowance guidelines or notify the University with repair recommendations. Supplier shall have first right of refusal for all recommended repairs authorized by University. Supplier, at its option, may match any quotation provided to University by an alternate Supplier for the repair scope of work or alternate scope of work proposed by an alternate Supplier. Ensuring that recommended repairs are performed is the responsibility of the University. Supplier disclaims any liability which arises from repair recommendations which are not performed.
- d. <u>Limited Warranty</u>. Because of the great number and variety of applications for which Supplier's goods and services are purchased, Supplier does not recommend specific applications or assume any responsibility for use, results obtained or suitability for specific applications. University is cautioned to determine the appropriateness of Supplier's goods and services for University's specific application before ordering and to test and evaluate thoroughly all goods before use. Supplier warrants that title to all goods sold by Supplier shall be good and marketable. Except for the warranties specifically set forth in this Agreement, THERE ARE NO OTHER WARRANTIES EXPRESSED OR IMPLIED IN CONNECTION WITH THE SALE OF GOODS AND SERVICES, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. NO DISCLAIMER, EXCLUSION, LIMITATION OR MODIFICATION OF ANY OF THE AFORESAID WARRANTIES SHALL BE DEEMED EFFECTIVE UNLESS IN WRITING SIGNED BY SUPPLIER.
- 44. **Alarm Monitoring Services**. As it pertains to any Participating Public Agency's use of alarm monitoring services, the terms and conditions set forth in Exhibit A and all attached schedules shall apply. University is not using any alarm monitoring services under this Agreement and in no event shall Exhibit A and all attached schedules apply to University.
- Supplier Not an Insurer. University agrees that neither Supplier nor its contractors or assignees, 45. including, without limitation, those providing monitoring services, (collectively, "Subcontractors") are insurers and no insurance coverage is provided by this Agreement, UNIVERSITY ACKNOWLEDGES AND AGREES THAT SUPPLIER AND ITS CONTRACTORS DO NOT ASSUME ANY RESPONSIBILITY NOR SHALL THEY HAVE ANY LIABILITY FOR CLAIMS MADE AGAINST THEM CLAIMING THAT THEY ARE AN INSURER OF UNIVERSITY'S SYSTEMS, THE FAILURE OF SUCH SYSTEMS TO OPERATE EFFECTIVELY, OR ANY OTHER TYPE OF INSURANCE COVERAGE AS AN INSURER. University acknowledges that during the term of the Agreement, it will maintain a policy of insurance covering public liability, bodily injury, sickness or death, losses for property damage, fire, water damage, and loss of property in amounts that are sufficient to cover all claims of University for any losses sustained. Supplier shall not be responsible for any claims of University against the Subcontractors nor for any portion of any loss or damage that is required to be insured, is insured or insurable by University pursuant to this Section. In addition to the foregoing release and agreements, and to the extent permitted by applicable law, Participating Public Agency agrees to defend, indemnify, and hold Supplier harmless from any claims of Participating Public Agency against the Subcontractors and for any portion of any loss or damage that is required to be insured, is insured or insurable by Participating Public Agency pursuant to this Section.

University may satisfy its insurance obligations under the first paragraph of this Section 46 through a self-insurance program established under Neb. Rev. St. § 85-1,126 (the "Program"). Subject to the terms, conditions, exclusions, and limits of the Program, the Program shall pay on behalf of University, during any of its fiscal years, all sums for which University shall become legally obligated to pay as damages for liability occurrences, up to the limits of \$1,000,000 per liability occurrence and \$3,000,000 in the aggregate of liability occurrences in any fiscal year. The Program may be evidenced by a Statement of Self-Insurance Coverage.

46. Limitation of Liability of Supplier.

a. As it pertains to University, the following limitation of liability shall apply:

{00056454.DOCX; 3} Page 12

Title: Master Agreement - Expenditure Revised: 220727

Effective: 220804

- 46.a.1. IF SUPPLIER OR ITS REPRESENTATIVES ARE HELD LIABLE FOR ANY REASON FOR ANY LOSS, INJURY, OR DAMAGES OF ANY KIND THAT ARISES OUT OF, RESULTS FROM, OR IS RELATED TO THIS AGREEMENT (INCLUDING, WITHOUT LIMITATION, LOSSES, INJURIES OR DAMAGES RESULTING FROM SUPPLIER'S SOLE OR PARTIAL NEGLIGENCE, WHETHER ACTIVE OR PASSIVE), UNIVERSITY AGREES AND WARRANTS THAT SUPPLIER'S AND ITS REPRESENTATIVE'S COLLECTIVE LIABILITY TO UNIVERSITY, ITS AGENTS, OFFICERS, DIRECTORS, AND EMPLOYEES SHALL BE LIMITED EXCLUSIVELY TO \$2,000,000; PROVIDED, HOWEVER, THAT THE FOREGOING LIMITATION OF LIABILITY SHALL NOT APPLY TO: (1) DAMAGES ARISING FROM THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF SUPPLIER, ITS EMPLOYEES, ITS SUBCONTRACTORS, OR ITS AGENTS; (2) CLAIMS FOR PERSONAL INJURY, INCLUDING DEATH, ARISING FROM THE NEGLIGENCE OF SUPPLIER, ITS EMPLOYEES, ITS SUBCONTRACTORS, OR ITS AGENTS; (3) AND CLAIMS FOR DAMAGE TO REAL PROPERTY OR TANGIBLE OR INTANGIBLE PROPERTY ARISING FROM SUPPLIER'S ACTS OR OMISSIONS UNDER THE AGREEMENT. If University wishes to increase the limitation of liability, Supplier and University may negotiate a supplemental written agreement to increase the limit of Supplier's liability, but no such agreed upon increase to the limit of Supplier's liability shall be interpreted to find Supplier or its subcontractors or representatives to be insurers. Neither party shall be liable to the other or any other person for any incidental, punitive, speculative, or consequential damages of any type, including, but not limited to, loss of profits or business opportunity.
- b. As it pertains to Participating Public Agencies, the following limitation of liability shall apply:
 - 46.b.1. Participating Public Agency acknowledges that Supplier's service fees/purchase prices are based on the value of services or goods provided and the limited liability provided under this Agreement and not on the value of the Participating Public Agency's premises or its contents, or the likelihood or potential extent or severity of injury (including death) to Participating Public Agency or others. Participating Public Agency further acknowledges and agrees that Supplier cannot predict the potential amount, extent, or severity of any damages or injuries that Participating Public Agency or others may incur due to the failure of the goods, systems, or services to work as intended. IF SUPPLIER OR ITS REPRESENTATIVES ARE HELD LIABLE FOR ANY REASON. FOR ANY LOSS, INJURY, OR DAMAGES OF ANY KIND THAT ARISES OUT OF, RESULTS FROM, OR IS RELATED TO THIS AGREEMENT (INCLUDING, WITHOUT LIMITATION, LOSSES, INJURIES OR DAMAGES RESULTING FROM SUPPLIER'S SOLE OR PARTIAL NEGLIGENCE, WHETHER ACTIVE OR PASSIVE), PARTICIPATING PUBLIC AGENCY AGREES AND WARRANTS THAT SUPPLIER'S AND ITS REPRESENTATIVE'S COLLECTIVE LIABILITY TO PARTICIPATING PUBLIC AGENCY, ITS AGENTS, OFFICERS, DIRECTORS, EMPLOYEES, INVITEES, AND ANY THIRD PARTY SHALL BE LIMITED EXCLUSIVELY TO 25% OF PARTICIPATING PUBLIC AGENCY'S SPEND IN THE TWELVE (12) MONTHS IMMEDIATELY PRECEDING THE DATE ON WHICH THE LIABILITY AROSE. If Participating Public Agency wishes to increase the limitation of liability, Supplier and Participating Public Agency may negotiate a supplemental written agreement to increase the limit of Supplier's liability, but no such agreed upon increase to the limit of Supplier's liability shall be interpreted to find Supplier or its subcontractors or representatives to be insurers. PARTICIPATING PUBLIC AGENCY AGREES THAT THE LIMITS ON THE LIABILITY OF SUPPLIER AND THE WAIVERS AND INDEMNITIES SET FORTH IN THIS AGREEMENT ARE A FAIR ALLOCATION OF RISKS AND LIABILITIES BETWEEN SUPPLIER, PARTICIPATING PUBLIC AGENCY, AND ANY OTHER AFFECTED PARTIES. PARTICIPATING PUBLIC AGENCY ACKNOWLEDGES AND AGREES THAT WERE SUPPLIER TO HAVE LIABILITY GREATER THAN THAT STATED ABOVE, IT WOULD NOT PROVIDE THE GOODS AND SERVICES. Neither party shall be liable to the other or any other person for any incidental, punitive, speculative, or consequential damages of any type, including, but not limited to, loss of profits or business opportunity.
- 47. **No Federal Contractor**. As a material condition of this Agreement, University represents and warrants that: (a) University is not an agency or instrumentality of the United States government; and (b) this Agreement does not constitute, and is not entered to support, a federal government contract,

Page 13

subcontract or third party contract. In the event that this Agreement is considered or alleged to be a federal government contract, subcontract or third party contract, Supplier shall have the option unilaterally to terminate this Agreement without penalty. Further, in no event will Supplier act as a subcontractor under a U.S. federal prime contractor or a subrecipient under a U.S. federal grant or cooperative agreement in connection with this Agreement, whether as relates to the University or any other Participating Public Agency.

- 1. Annual Monitoring Fee. Cintas bills annually for monitoring services. The Customer must pay a one-time service activation fee and the entire annual monitoring fee, both of which are due thirty (30) days prior to the Alarm Monitoring Agreement Effective Date. Upon request to Cintas and Cintas's written approval, Customer may be permitted to pay the annual maintenance fee in periodic payment. If periodic payments are elected, Customer must pay the one-time service activation fee and first periodic payment thirty (30) days prior to the Alarm Monitoring Agreement Start Date. Subsequent periodic payments are due upon receipt of each invoice. Quarterly or monthly payments shall include a surcharge of 4% per payment. For any payment that is not paid within thirty (30)days of the invoice date, Cintas shall be entitled to assess, and Customer shall pay, a service charge of 5% of the amount of the unpaid amount due and a finance charge of 1-1/2% per month on the unpaid amount due. Cintas has the right to increase periodic charges at any time or times (i) after expiration of one (1) year from the Alarm Monitoring Agreement Start Date; provided, that any increase shall not exceed the greater of 6% or the increase in CPI for all urban consumers in the United States for the period since any prior increase and (ii) at any time for any new or increased pass-through fees, costs and expenses.
- Rented Cintas Net Equipment. For rented Cintas Net units, Cintas shall retain exclusive ownership, title, and control of the
 Cintas Net units at all times. If repair or replacement of the Cintas Net units is required for any reason other than ordinary
 wear and tear, the Customer shall pay for any such repair or replacement at Cintas's then-prevailing charges for time
 and/or material. For purposes of this paragraph, "ordinary wear and tear" does not include obsolete units or units that
 have reached the end of their useful life.

- False Alarms. In the event the System is activated for any reason, other than activation caused by Cintas during a service inspection, Customer shall pay or reimburse Cintas for any and all fees, fines, costs, expenses, penalties and other charges assessed against Customer or Cintas pursuant to any law or by any governmental entity, court, or administrative agency.
- Emergency Contact Information. Customer shall (i) furnish Cintas with all contact information for the Monitoring Services to Cintas in writing, including contact numbers for the person(s) identified by Customer as Customer's emergency contacts ("Customer Contacts") and contact numbers for the responsible police, sheriff, fire, medical, ambulance, quard, patrol, and response services and other governmental, private, or volunteer departments and organizations ("First Responders") requested on the Customer's Contact and First Responder's List, attached as Schedule "B" of this Alarm Monitoring Agreement ("Call List") and (ii) keep all information on the Call List current by submitting any changes in writing to the servicing Cintas location. Customer acknowledges and agrees that no such submission is deemed complete or effective until it receives written acknowledgment from Cintas that the information or changes have been received and entered. Customer further acknowledges and agrees that it has the sole responsibility for determining and providing the proper emergency contact information to Cintas in writing, regardless of whether it has Schedule "B" of the Alarm Monitoring Agreement available. Customer acknowledges that it can contact Cintas if it requires copies of Schedule B to comply with the provisions of this paragraph. Customer further acknowledges and agrees that Cintas has no responsibility for determining, evaluating, or confirming whether the "First Responders" identified are the proper or responsible authority for the Premises in question or whether any of the contact information provided is correct. Customer acknowledges and agrees that Cintas will rely solely upon the contact information provided by customer to perform the Monitoring Services. Customer bears all responsibility in the event that any of the information listed on the Call List is incorrect, inaccurate, expired, or illegible/unintelligible.
- 5. <u>Term; Renewal.</u> The Term of this Alarm Monitoring Agreement shall match the term of the master Agreement.
- 6. Cancellation. Customer may terminate this Alarm Monitoring Agreement or the Monitoring Service to any Premises covered by this Alarm Monitoring Agreement for its convenience at anytime with a sixty (60) day advance written notification. With the notice, Customer shall pay to Cintas (i) all charges then due, and (ii) 90% of all periodic payments which would be due for the unexpired term of this Alarm Monitoring Agreement, if this Alarm Monitoring Agreement is terminated, or the unexpired term related to the Premises, as liquidated damages and not as a penalty. Cintas shall have no further obligation to perform Monitoring Services for the Premises on and after the termination date, whether under this Alarm Monitoring Agreement or any obligation at law or in equity. In addition, for rented Cintas Net Units, on and after the last date of Monitoring Services, Customer shall permit Cintas access to the Premises during regular business hours to remove any and all such Cintas Net units. Customer shall pay Cintas \$1,500 per Cintas Net unit that is damaged or is determined, in Cintas's sole and absolute discretion, to be not in good and proper working order after it is removed from the Premises.
- 7. Subcontractors. Cintas may subcontract the services to be performed under this Alarm Monitoring Agreement. Customer acknowledges and agrees that all provisions of this Alarm Monitoring Agreement inure to the benefit of and are applicable to any subcontractors engaged by Cintas to provide any service to Customer ("Subcontractor") and that they bind Customer to each such Subcontractor(s) with the same force and effect as they bind Customer to Cintas. (Accordingly, when used in this Alarm Monitoring Agreement, the term "Cintas" includes any such Subcontractors, Cintas employees, and agents.) Customer acknowledges that Subcontractors are independent companies and have no affiliation with Cintas. Customer irrevocably appoints Cintas as its agent to communicate with the Subcontractor(s)concerning all matters related to this Alarm Monitoring Agreement including, without limitation, Monitoring Services.
- Monitoring Services. Customer acknowledges and agrees that the scope of the Monitoring Services Cintas has agreed to provide pursuant to this Alarm Monitoring Agreement is limited. For the purposes of this Alarm Monitoring Agreement, Cintas's Monitoring Service personnel ("Operators") will only (i) monitor a computer screen that may display specific codes ("Listed Codes") transmitted by Customer's alarm system at the Premises and/or (ii) monitor incoming telephone calls for voice communications from the Premises requesting assistance ("Voice Communications"), as applicable. Upon receiving Listed Codes or Voice Communications that, in the Operator's sole and absolute discretion, clearly and unambiguously constitute a valid alarm condition or request for assistance, the Operator is only required to communicate electronically and/or telephonically with First Responders or call by telephone the telephone numbers supplied by Customer in writing on the Call List within a reasonable period of time, given the circumstances existing at that time at the monitoring facility and the priority of the Listed Codes and/or Voice Communications. Customer understands and agrees that no Monitoring Services shall or need be rendered for signals received that are not Listed Codes or for Voice Communications that do not clearly and unambiguously request assistance, in Cintas's sole and absolute determination. Notwithstanding anything contained herein to the contrary, (a) upon receipt of a Listed Code or Voice Communication, and prior to contacting and/or telephoning First Responders, Cintas may, in its sole and absolute discretion and without any liability, contact or attempt to contact the Premises and/or the Customer Contacts (whether by telephone, electronic mail, or other contact information provided by Customer) as frequently as Cintas(in its sole and absolute discretion) deems appropriate to verify the necessity to report the receipt of a Listed Code or Voice Communication to the First Responders and/or the Customer Contacts, and (b) upon receipt of an abort code or Voice Communication from the Premises, the Customer, a Customer representative, a First Responder, and/or a Customer Contact, Cintas may, in its sole and absolute discretion and without any liability, refrain from contacting First Responders or advise First Responders of receipt of an abort code or Voice Communication or other communication instructing Cintas and/or First Responders to disregard the receipt of a Listed Code. Customer irrevocably agrees that any person at the Premises, Customer's representatives, and all of the Customer Contacts and First Responders have Customer's authority and consent to instruct Cintas to disregard the receipt of a Listed Code and/or Voice Communication informing of an alarm condition or otherwise requesting assistance. Customer acknowledges and agrees that Cintas has no responsibility for providing, establishing, determining, auditing, or otherwise evaluating in any way the Listed Codes that are provided and/or by Customer's system. Customer, for him/her/itself and as the authorized agent of his/her/its representatives and each person on the Customer's Call List at any time, consents to Cintas (i) calling each such person's cell phone, other mobile

device, or phone of any type; (ii) using automatic dialers; and (iii)using a technology known as "robocalling" (unless such person notifies Cintas that he/she opts out of this clause (iii))

Customer acknowledges and agrees that Cintas's efforts to notify First Responders shall be satisfied by attempting telephone contact with any person answering the telephone at the telephone number(s) provided to Cintas in writing or by leaving a message with a telephone answering service or any mechanical, electrical, electronic or other technology permitting the recording of voice and/or data communications. Describe turnaround time and delivery requirements. Define any additional charges for delivery such as excessive deliveries or remote locations and state additional fees for these types of deliveries.

Cintas rental service programs provide personal delivery at a predefined frequency on a regularly scheduled day and time. Temporary garments are used only if there is a shortage of clean delivered garments, and this is a rare occurrence. The need for temporary garments is known by Cintas prior to clean delivery by the use of our garment inventory control process. If needed, the garments used for temporary replacement will be a used garment of like quality to the garment that is being replaced. Cintas rarely experiences backorders in our core rental product line however in the event there is a backorder our goal is to replenish in 30 days or less.

One of the goals of a national contract is to allow agencies to easily audit the price they are paying under a contract. Describe how users across the nation will be able to determine their pricing (including the provision of uniforms or other products, delivery, laundering, repair and maintenance) under the national contract using the information contained within the pricing workbook. Describe any regional pricing differences or other factors that will influence an agency's price.

The program will be communicated to the local sales force via a "Program Requirements Document" which will contain details of the program. This serves to ensure that the service and the pricing at each of your locations conforms to the Master Service Agreement and is controlled by our Account Team.

Describe how rental uniforms are amortized and how Replacement Charges are calculated.

If Customer has ordered from Company a garment rental service requiring embroidered garments that may not be standard to Company's normal rental product line. Those non-standard products will be designated as such under-Garment Description in Exhibit C. In the event Customer deletes a non-standard product, alters the design of the non-standard product, fails to renew the Agreement, or terminates the Agreement for any reason other than documented quality of service reasons which are not cured, Customer agrees to buy back all remaining non-standard products allocated to Customer that the Company has in service and out of service at the then current Loss/Damage Replacement Values.

Cintas deems a garment "damaged" if it is beyond normal repair and not due to normal wear and tear. Specifically, as noted on the Cintas general agreement, "In the event any Merchandise is lost, stolen or is not returned to Company, or is destroyed or damaged by fire, acid, paint, ink, chemicals, neglect or otherwise, the Customer agrees to pay for said Merchandise at the then current Loss/Damage Replacement Values."

Describe how emergency requests for uniforms are handled.

Local facilities should direct rush requests to the local Customer Service Departments of their corresponding Cintas service centers. Every effort will be made locally to accommodate rush requests.

Items not specifically listed in catalogs are available under the contract as "specialty items."

^{*}Cintas proposed pricing is structured to allow any participating agency, regardles of size, volume etc. to benefit from the same competitive and consistent rates.

Describe turnaround time and delivery requirements. Define any additional charges for delivery such as excessive deliveries or remote locations and state additional fees for these types of deliveries.

Cintas rental service programs provide personal delivery at a predefined frequency on a regularly scheduled day and time. Temporary garments are used only if there is a shortage of clean delivered garments, and this is a rare occurrence. The need for temporary garments is known by Cintas prior to clean delivery by the use of our garment inventory control process. If needed, the garments used for temporary replacement will be a used garment of like quality to the garment that is being replaced. Cintas rarely experiences backorders in our core rental product line however in the event there is a backorder our goal is to replenish in 30 days or less.

One of the goals of a national contract is to allow agencies to easily audit the price they are paying under a contract. Describe how users across the nation will be able to determine their pricing (including the provision of uniforms or other products, delivery, laundering, repair and maintenance) under the national contract using the information contained within the pricing workbook. Describe any regional pricing differences or other factors that will influence an agency's price.

The program will be communicated to the local sales force via a "Program Requirements Document" which will contain details of the program. This serves to ensure that the service and the pricing at each of your locations conforms to the Master Service Agreement and is controlled by our Account Team.

Describe how rental uniforms are amortized and how Replacement Charges are calculated.

If Customer has ordered from Company a garment rental service requiring embroidered garments that may not be standard to Company's normal rental product line. Those non-standard products will be designated as such under-Garment Description in Exhibit C. In the event Customer deletes a non-standard product, alters the design of the non-standard product, fails to renew the Agreement, or terminates the Agreement for any reason other than documented quality of service reasons which are not cured, Customer agrees to buy back all remaining non-standard products allocated to Customer that the Company has in service and out of service at the then current Loss/Damage Replacement Values.

Cintas deems a garment "damaged" if it is beyond normal repair and not due to normal wear and tear. Specifically, as noted on the Cintas general agreement, "In the event any Merchandise is lost, stolen or is not returned to Company, or is destroyed or damaged by fire, acid, paint, ink, chemicals, neglect or otherwise, the Customer agrees to pay for said Merchandise at the then current Loss/Damage Replacement Values."

Describe how emergency requests for uniforms are handled.

Local facilities should direct rush requests to the local Customer Service Departments of their corresponding Cintas service centers. Every effort will be made locally to accommodate rush requests.

Items not specifically listed in catalogs are available under the contract as "specialty items."

Omnia Participating Public Agencies Terms

- 1. Participating Public Agencies: Supplier agrees to extend the same terms, covenants agreed to under the OMNIA Vendor Agreement executed between Cintas Corporation and University of Nebraska (the "Master Agreement") to other government agencies ("Participating Public Agencies") that, in their discretion, desire to access the Master Agreement in accordance with all terms and conditions contained herein or attached hereto. Each participating Public Agency will be exclusively responsible and deal directly with Supplier on matters relating to length of agreement, ordering, delivery, inspection, acceptance, invoicing, and payment for products and services in accordance with the terms and conditions of the Master Agreement.
- 2. **Dispute Resolution Arbitration and Class Waiver**. This provision shall take precedence over and supersede any contrary or conflicting provision in the Master Agreement.
 - a. Arbitration Notice. Customer agrees to the maximum extent permitted by law that any dispute, controversy, or claim arising out of or relating to this Agreement (including its enforcement, performance, breach, arbitrability, or interpretation) or to the products or services provided hereunder will be submitted to and resolved by final and binding individual arbitration. ARBITRATION MEANS THAT AN ARBITRATOR, AND NOT A JUDGE OR A JURY, WILL DECIDE THE DISPUTE, CONTROVERSY, OR CLAIM. BY ACCEPTING THESE TERMS, YOU AND CINTAS ARE EACH EXPRESSLY WAIVING THE RIGHT TO A TRIAL BY JURY AND TO PURSUE OR PARTICIPATE IN ANY CLASS ACTION, COLLECTIVE ACTION, OR REPRESENTATIVE CLAIMS OR PROCEEDINGS EITHER IN ARBITRATION OR IN ANY COURT. To the extent a class or collective action or representative claim or proceeding may not be waived, you agree to stay any such actions, claims, and proceedings u.u.il after all actions. claims, and proceedings subject to arbitration are fully resolved.
 - b. Arbitration Procedures. Any arbitration between Customer and Cint. will be governed by the Commercial Dispute Resolution Procedures and the Supplementary Procedures for Consume Related Disputes (collectively, "AAA Rules") of the American Arbitration Association ("AAA"), as modified by this Agreement, and will be administered by the AAA. The AAA Rules and filing forms are available online at www.adr.org, by calling the AAA at '-800-778-7879, or by contacting Cintas. Any arbitration hearings will take place in the state in which Customer is located; provided, however, that if the claim is for \$10,000 or less, Customer may choose for the arbitration instead to con ucted: (i) solely on the basis of documents submitted to the arbitrator; or (ii) through a telephonic hearing. In arbitrator must issue a reasoned written decision sufficient to explain the essential findings and conclusions on which the decision and award, if any, are based.
 - c. Fees. Arbitration fees will be assessed consistent with the AAA Rules.
 - d. No Class Actions in Arbitration or in Any Jourt, No Jury Trial. CUSTOMER AND CINTAS AGREE THAT, TO THE MAXIMUM EXTENT PERMITTED BY LAW, EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN THEIR INDIVIDUAL CAPACITIES AND NOT AS PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING, WHETHER IN ARBITRATION OR IN ANY COURT. FURTHER, UNLESS BOTH CUSTOMER AND CINT S AGREE OTHERWISE, AN ARBITRATOR OR JUDGE MAY NOT CONSOLIDATE MORE THAN ONE PARTICIPATING PUBLIC AGENCY'S CLAIMS AND MAY NOT OTHER WISE PRESIDE OVER ANY FORM OF A REPRESENTATIVE OR CLASS PROCEEDING. FOR THE AVOIDANCE OF DOUBT, CUSTOMER AND CINTAS AGREE TO RESOLVE ANY DISPUTE ON AN INDIVIDUAL. NON-REPRESENTATI 'E, NON-CLASS BASIS IN ARBITRATION. BUT IF FOR ANY REASON SUCH DISPUTE PROCEEDS IN COURT, CI' TOMER AND CINTAS AGREE TO WAIVE ANY RIGHT TO HAVE THE DISPUTE PROCEEDS IN COURT, CUSTOMER AND CINTAS AGREE TO WAIVE ANY RIGHT TO A TRIAL BY HERY.
 - e. Enforceability. If the requirement to submit any and all disputes, controversies, and claims to binding arbitration is found to be unenforceable or contrary to applicable law, the dispute, controversy or claim will be resolved in accordance with, and governed by, the laws of the State in which the Participating Public Agency exists.
 - f. Severability. If any section or provision of this ¶ 2. Dispute Resolution Arbitration and Class Waiver, is found to be unenforceable or valid, the parties will substitute an enforceable provision that, to the maximum extent possible under applicable law, preserves the original intentions of the parties, and the remainder will be given full force and effect.
- 3. **Dispute Resolution Timing of invoice challenges:** Requests for an invoice adjustment or challenges to invoice amounts must be received by Cintas within 60 days of Customer's receipt of the contested invoice, or any billing dispute is waived. Notification to Cintas of a request for an invoice adjustment must be made in writing and must include the invoice number, disputed amount, and the reason for the disputed charge.
- 4. Master Agreement available at https://www.omniapartners.com/publicsector.
- 5. In the event of any conflict between this Facilities Solutions Cooperative Acceptance Agreement (this "Agreement") and the Master Agreement, the Master Agreement shall prevail, except to the extent this Agreement specifically provides that it is superseding a provision in the Master Agreement.

Omnia Participating Public Agencies Terms

- Participating Public Agencies: Supplier agrees to extend the same terms, covenants agreed to under the Master Agreement to other
 government agencies ("Participating Public Agencies") that, in their discretion, desire to access the Master Agreement in accordance with
 all terms and conditions contained herein or attached hereto. Each participating Public Agency will be exclusively responsible and deal
 directly with Supplier on matters relating to length of agreement, ordering, delivery, inspection, acceptance, invoicing, and payment for
 products and services in accordance with the terms and conditions of the Master Agreement.
- Dispute Resolution Arbitration and Class Waiver. This provision shall take precedence over and supersede any contrary or conflicting provision in the Master Agreement.
 - a. Arbitration Notice. Customer agrees to the maximum extent permitted by law that any dispute, controversy, or claim arising out of or relating to this Agreement (including its enforcement, performance, breach, arbitrability, or interpretation) or to the products or services provided hereunder will be submitted to and resolved by final and binding individual arbitration. ARBITRATION MEANS THAT AN ARBITRATOR, AND NOT A JUD E OR A JURY, WILL DECIDE THE DISPUTE, CONTROVERSY, OR CLAIM, BY ACCEPTING THESE TERMS, YOU AND CINTAS ARE EACH EXPRESSLY WAIVING THE RIGHT TO A TRIAL BY JURY AND TO PURSUE OR PARTICIPATE IN ANY CLASS ACTION, COLLECTIVE ACTION. OR REPRESENTATIVE CLAIMS OR PROCEEDINGS EITHER IN ARBITRATION OR IN ANY COURT. To the extent a class or collective action or representative claim or proceeding may not be waived, you agree to stay any such actions, claims, and proceedings until after all actions, claims, and proceedings subject to arbitration are fully resolved.
 - b. Arbitration Procedures. Any arbitration between Customer and Cintas will be governed by the Commercial Dispute Resolution Procedures and the Supplementary Procedures for Consumer Related Disputes (collectively, "AAA Rules") of the American Arbitration Association ("AAA"), as modified by this Agreement, and will be administered by the AAA. The AAA Rules and filing forms are available onli _ at www.adr.org, by calling the AAA at 1-800-778-7879, or by contacting Cintas. Any arbitration hearings will take place in the state in which the Customer is located; provided, however, that if the claim is for \$10,000 or less, Customer may choose for the arbitration instead to conducted: (i) solely on the basis of documents submitted to the arbitrator; or (ii) through a telephonic hearing. The arbitrator must issue a reasoned written decision sufficient to explain the essential findings and conclusions on which the decision and award, if any, are based.
 - c. Fees. If Customer commences arbitration in accordance with this Agreement, arbitration fees will be assessed consistent with the AAA Rules
 - d. No Class Actions in Arbit ation or in Any Court, No Jury Trial. CUSTOMER AND CINTAS AGREE THAT, TO THE MAXIMUM EXTENT PERMITTED BY LAW, EACH MAY BRING CLAIMS AGAINST THE OTHER ONLY IN THEIR INDIVIDUAL C P. "ITIES AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING, WHETHER IN ARBITRATION OR IN ANY COURT. FURTHER. UNLESS BOTH CUSTOMER AND CINTAS AGREE OTHERWISE. AN ARBITRATOR OR JUDGE MAY NOT CONSOLIDATE MORE THAN ONE PARTICIPATING PUBLIC AGENCY'S CLAIMS AND MAY NOT OTHERWISE PRESIDE OVER ANY FORM OF A REPRESENTATIVE OR CLASS PROCEEDING. FOR THE AVOIDANCE OF DOUBT, CUSTOMER AND CINTAS AGREE TO RESOLVE ANY DISPUTE ON AN INDIVIDUAL, NON-REPRESENTATIVE, NON-CLASS BASIS IN ARBITRATION, BUT IF FOR ANY REASON SUCH DISPUTE PROCEEDS IN COURT, CUSTOMER AND CINTAS AGREE TO WAIVE ANY RIGHT TO HAVE THE DISPUTE PROCEEDS IN COURT, CUSTOMER AND CINTAS AGREE TO WAIVE ANY RIGHT TO A TRIAL BY JURY
 - e. **Enforceability.** If the requirement to submit any and all disputes, controversies, and claims to binding arbitration is found to be unenforceable or contrary to applicable law, the dispute, controversy or claim will be resolved in accordance with, and governed by, the laws of the State in which the Participating Public Agency exists.
 - f. Severability. If any section or provision of this ¶ 2, Dispute Resolution Arbitration and Class Waiver, is found to be unenforceable or invalid, the parties will substitute an enforceable provision that, to the maximum extent possible under applicable law, preserves the original intentions of the parties, and the remainder will be given full force and effect.
- 3. **Dispute Resolution Timing of invoice challenges:** Requests for an invoice adjustment or challenges to invoice amounts must be received by Cintas within 60 days of Customer's receipt of the contested invoice, or any billing dispute is waived. ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Internet 2 OBO University of Nebraska - Lincoln (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
