 - (c) The petition requests that the City vacate the platted fifteen-foot (15') street, tree & landscape easements;

- (d) The Easements are not needed to provide City service to any property;
- (e) Other than as identified in this resolution, no public utilities or City facilities are located or planned to be located in the area;
- (f) The Easements are not necessary to any logical extension of public utility service, sanitary sewer service, drainage, or other City services to any property in the future, or an alternate and equally acceptable easement of such extension has been dedicated to the City; and
- (g) The vacation requested will not affect the ownership or right of convenient access of persons owning other parts of the subdivision; and
- (h) The City notified affected utilities, and the utilities have provided written responses recommending approval of the petition; and
